beartown book club questions: Beartown Fredrik Backman, 2021-03-23 Winning a junior ice hockey championship might not mean a lot to the average person, but it means everything to the residents of Beartown, a community slowly being eaten alive by unemployment and the surrounding wilderness. A victory like this would draw national attention to the ailing town: it could attract government funding and an influx of talented athletes who would choose Beartown over the big nearby cities. A victory like this would certainly mean everything to Amat, a short, scrawny teenager who is treated like an outcast everywhere but on the ice; to Kevin, a star player just on the cusp of securing his golden future in the NHL; and to Peter, their dedicated general manager whose own professional hockey career ended in tragedy. At first, it seems like the team might have a shot at fulfilling the dreams of their entire town. But one night at a drunken celebration following a key win, something happens between Kevin and the general manager's daughter--and the next day everything seems to have changed. Accusations are made and, like ripples on a pond, they travel through all of Beartown, leaving no resident unaffected. With so much riding on the success of the team, the line between loyalty and betrayal becomes difficult to discern. At last, it falls to one young man to find the courage to speak the truth that it seems no one else wants to hear.-

beartown book club questions: Us Against You Fredrik Backman, 2018-06-05 The #1 New York Times bestselling author of A Man Called Ove and Beartown returns with an unforgettable novel “about people—about strength and tribal loyalty and what we unwittingly do when trying to show our boys how to be men” (Jojo Moyes). Have you ever seen a town fall? Ours did. Have you ever seen a town rise? Ours did that, too. A small community tucked deep in the forest, Beartown is home to tough, hardworking people who don't expect life to be easy or fair. No matter how difficult times get, they've always been able to take pride in their local ice hockey team. So it's a cruel blow when they hear that Beartown ice hockey might soon be disbanded. What makes it worse is the obvious satisfaction that all the former Beartown players, who now play for a rival team in the neighboring town of Hed, take in that fact. As the tension mounts between the two adversaries, a newcomer arrives who gives Beartown hockey a surprising new coach and a chance at a comeback. Soon a team starts to take shape around Amat, the fastest player you'll ever see; Benji, the intense lone wolf; always dutiful and eager-to-please Bobo; and Vidar, a born-to-be-bad troublemaker. But bringing this team together proves to be a challenge as old bonds are broken, new ones are formed, and the town's enmity with Hed grows more and more acute. As the big game approaches, the not-so-innocent pranks and incidents between the communities pile up and their mutual contempt intensifies. By the time the last goal is scored, a resident of Beartown will be dead, and the people of both towns will be forced to wonder if, after everything, the game they love can ever return to something as simple and innocent as a field of ice, two nets, and two teams. Us against you. Here is a declaration of love for all the big and small, bright and dark stories that give form and color to our communities. With immense compassion and insight, Fredrik Backman—“the Dickens of our age” (Green Valley News)—reveals how loyalty, friendship, and kindness can carry a town through its most challenging days.
