bdsm slave training videos: Desire, Performance, and Classification: Critical Perspectives on the Erotic Jessica R. Pfeffer, 2019-01-04 This volume was first published by Inter-Disciplinary Press in 2013. In November 2011, artists, professors, students, and scholars from around the world gathered in Prague, Czech Republic, to attempt to define what could be considered the erotic. The conference sought submissions that addressed interactions of the erotic with history, art, literature, practices, performances, pedagogy, and sexuality, among many others. This wide focus brought together an intellectually rich meeting that interrogated the boundaries between eroticism, sex, and desire. This volume represents a sampling of papers presented at the conference, and the diverse focuses within these papers are indicative of the inter- and trans-disciplinary work that was presented. Each work within this collection brings a fresh and unique approach to the erotic and, in its own way, tries to answer the question, 'What is erotic?'

bdsm slave training videos: *The Deep Psychology of BDSM and Kink* Douglas Thomas, 2023-09-20 This fascinating volume investigates how the concept of soul is connected to BDSM and kink, exploring the world of alternative sexualities through the psychology of C. G. Jung and James Hillman as readers are guided on a provocative and lively journey through darker aspects of the sexual imagination. Contextualized both in sexual history and contemporary events, the book unveils surprising points of correspondence between the tortured fantasy-images of Jung's *The Red Book* and the modern world of BDSM and describes from Hillman's psychology a soul-centered perspective that affirms the psychological value of fantasy-images animating our human lives. The book also considers the collective archetypal sources of historical trauma which have provided inspiration to some of the more disquieting aspects of BDSM and details how the deep psychology of BDSM creates a space in the modern world to ethically engage these practices. Kinksters and BDSM practitioners will discover a psychological language that clarifies and affirms why these activities and relationships can be so intensely intimate, pleasurable, and transformative. Psychotherapists and enthusiasts of Jungian and archetypal psychology will find fresh insights here that support the practice of BDSM as a form of individuation and a path for bringing soul into the world.

bdsm slave training videos: *Vibrator Nation* Lynn Comella, 2017-08-18 In the 1970s a group of pioneering feminist entrepreneurs launched a movement that ultimately changed the way sex was talked about, had, and enjoyed. Boldly reimagining who sex shops were for and the kinds of spaces they could be, these entrepreneurs opened sex-toy stores like Eve's Garden, Good Vibrations, and Babeland not just as commercial enterprises, but to provide educational and community resources as well. In *Vibrator Nation* Lynn Comella tells the fascinating history of how these stores raised

sexual consciousness, redefined the adult industry, and changed women's lives. Comella describes a world where sex-positive retailers double as social activists, where products are framed as tools of liberation, and where consumers are willing to pay for the promise of better living—one conversation, vibrator, and orgasm at a time.

Unfortunately, Furtopia – a fetish club catering to bdsm and petgirls specifically, has a strict dress code requiring her to dress the part. Wearing latex leaving her mostly naked, she read and signed the rules, paid the entrance fee and then crawled into the club proper. Bee lining for the VIP rooms, she was stopped with a swat on the behind. With a yelp, she thanked the Mistress who immediately delivered another. bdsb slave training videos: *Taking the Gardener* T.J. Masters, 2013-02-01 Mourning the sudden loss of his parents in a car crash, experienced Dom Eric Broderick escapes London society and his high-pressure law firm and retreats to Glebe House in Pittlesburne, a small village in Buckinghamshire. He tours the nearby woods and the charming village, but it's really the guesthouse's garden he's taken with—or, rather, the gardener. Tom Bestwick maintains the grounds of Glebe House for his fiancée and does odd jobs around the village. With little experience outside Pittlesburne, Tom finds fulfillment through his true passions, rugby and art. He has just one unrealized desire—one the guesthouse's new occupant would be happy to help him with. Late one night, while walking through the garden to clear his mood, Eric spies Tom enjoying a BDSM video starring two men. Having a sub to train might just help Eric forget his troubles, but as their feelings deepen, the real world intrudes. Eric can give Tom everything, but not until Tom decides where he's meant to be.

Weiss finds that BDSM practice is not as transgressive as the participants imagine, nor is it simply reinforcing of older forms of social domination. Instead she shows how fantasy play depends on pre-existing social hierarchies, even as it also participates in a commodification of desires.

bdsb slave training videos: *Harnessed* Jurgen von Stuka, 2021-06-04 In Part One, Penny, seeking the perfect situation in which she can enjoy bondage, varied sexual experiences, confinement and generally hurtful abuse, visits a well-known psychologist who promises that he can help her with her fantasies and real time exotic experiences. Penny quickly indulges in what she thinks is the doctor's therapy plan and ends up discovering that the hard side, the realistic engagement in true BDSM, is tougher and more extreme than she imagined. Penny's fantasies of sex, bondage and discipline become a way of life for her. There is nothing she cannot endure as top, bottom or center of the sex sandwich, as long as she gets off on it, one way or another, with either gender. In Part Two, color is added to the story, red blood in fact—the necessity of subsistence for a group of sophisticated Vampire/Cannibals hanging out in an ancient castle ruin in southern Bavaria.
