Understanding the Phrase in Biblical Context

The phrase "before you ask i will answer kjv" is not a direct quote but rather a thematic summary derived from several passages within the King James Version of the Bible. It encapsulates the idea that God, in His omniscience, knows the needs and questions of His people before they even articulate them. This concept is rooted in the understanding that God's knowledge transcends time and human limitations.

Scriptural Foundations

Several scriptures in the KJV emphasize God's awareness and readiness to respond to His followers. For example, Isaiah 65:24 states, "And it shall come to pass, that before they call, I will answer; and while they are yet speaking, I will hear." This verse highlights the proactive nature of God's response to human petitions, suggesting that His answers precede the very act of asking.

Contextual Meaning

In context, the phrase implies a relationship of trust and intimacy between God and His people. It reassures believers that their prayers and concerns are not only heard but

anticipated by God. This foreknowledge encourages faith and patience, as God's timing and wisdom govern the delivery of answers.

Theological Significance of Divine Foreknowledge

The concept of divine foreknowledge is central to Christian theology and is closely connected to God's omniscience and sovereignty. The phrase "before you ask i will answer kjv" reflects these attributes and invites deeper reflection on God's nature.

God's Omniscience and Sovereignty

God's omniscience means He possesses complete and perfect knowledge of all things, including past, present, and future events. This attribute ensures that God is fully aware of human needs before they arise. Sovereignty refers to God's supreme authority and control over creation, enabling Him to respond according to His divine will.

Implications for Prayer and Faith

The foreknowledge of God transforms the practice of prayer from a mere request to a dialogue rooted in faith. Believers can approach God with confidence, knowing that He understands their needs intimately. This understanding fosters a deeper spiritual connection and reliance on God's wisdom.

Key Verses Featuring the Concept in the KJV

Several verses in the King James Version Bible articulate the idea that God answers before questions are fully formed. These scriptures provide a biblical foundation for the phrase and its theological significance.

Isaiah 65:24

"And it shall come to pass, that before they call, I will answer; and while they are yet speaking, I will hear." This verse is a direct expression of God's readiness to respond, underscoring His proactive engagement with His people's needs.

Psalms 139:4

"For there is not a word in my tongue, but, lo, O Lord, thou knowest it altogether." This passage highlights God's intimate knowledge of human thoughts and words, reinforcing the idea that He understands prayers even before they are spoken.

Matthew 6:8

"Be not ye therefore like unto them: for your Father knoweth what things ye have need of, before ye ask him." Jesus teaches here that God's knowledge precedes human requests, encouraging believers to trust in His provision.

Practical Applications for Believers Today

The phrase "before you ask i will answer kjv" offers practical guidance for contemporary believers in their spiritual lives and daily challenges.

Encouragement in Prayer Life

Understanding that God knows needs before they are spoken encourages believers to pray with openness and trust. It alleviates anxiety about being heard or understood, fostering a prayer life marked by peace and confidence.

Strengthening Faith During Trials

During difficult times, recalling that God answers before questions can strengthen faith. Believers are reminded that God is actively involved in their circumstances, working for their good even when answers seem delayed.

Living with Assurance of God's Presence

This concept assures believers of God's constant presence and attentiveness. It motivates a lifestyle of obedience and reliance on God's wisdom, knowing that He anticipates their needs and cares deeply for them.

Practical Tips for Applying This Truth

Common Questions and Misconceptions

The phrase "before you ask i will answer kjv" can sometimes be misunderstood or raise questions about God's communication and human free will.

Does God Always Answer Before Asking?

While God's omniscience means He knows needs before they are expressed, answers may not always be immediate or in the form expected. God's timing and methods are perfect, often surpassing human understanding.

How Does This Affect Free Will?

God's foreknowledge does not negate human free will. Knowing future choices does not compel or force decisions. Instead, it highlights God's ability to work within human freedom to accomplish divine purposes.

Is Prayer Still Necessary?

Prayer remains essential as a means of communication, relationship-building, and spiritual growth. Even though God knows needs beforehand, prayer is the way believers express faith, dependence, and worship.

before you ask i will answer kjv: *Developing Life-Changing Faith* Carole Haygood, 2018-01-04 *Developing Life-Changing Faith* contains the spiritual teachings from a 7-year journey to developing the faith that changed my life. This journey started when I accidentally used faith to be healed from an infirmity that plagued me for many years. Questioning how this miracle happened, in this age, I turned to the unused pages of my Bible to find my answer. I saw what I had accidentally done that spurred the miracle, and the simple requirement hidden in plain sight, in its pages. Over the following year, the Spirit showed me misconceptions that blocked my ability to develop and use faith, and showed me the common things I did that made it impossible for God to answer my prayers, essentially tying God's hands against me. Then I was taught what the foundation of faith really is the key or seed of faith explaining why knowing this key is vitally important to develop the kind of faith illustrated in Bible stories. Through the subsequent years, I was taught about the things for which we could pray and the things for which we should not pray, and why; the truth about tests of our faith, why they are necessary, why we should watch for them, and how to pass them every time; and how to use faith correctly, highlighting biblical keys to give a complete understanding about faith. *Developing Life-Changing Faith* will give the readers the same teachings, understandings, tools, keys, and corrections, to develop the faith that will change their lives. It will lead them from feeling that their faith is not working, to fully understanding how to develop and correctly use faith, which

will truly change their lives.

Griffis, 2018-11-07 This devotional has tried to present God the loving Father, Jesus the Son, and the Holy Spirit as our personal friends. God cares so much for us that he is interested in every part of our lives. No matter what we do, Jesus is walking with us. Even though it may appear that Jesus is not there, Jesus is really walking beside us all the time. In our journey, we have to listen, to learn and be ready to speak to those people Jesus brings into our life. It is not the start or the end of the journey that is as important as the journey itself.
