

biden's mother's day speech

biden's mother's day speech captured national attention as it highlighted the importance of motherhood, family values, and the role of mothers in shaping society. Delivered with heartfelt emotion and thoughtful reflection, the speech emphasized themes of gratitude, resilience, and the critical contributions of mothers across America. This address by President Joe Biden not only honored the sacrifices and dedication of mothers but also underscored policies aimed at supporting families and improving the lives of women. Biden's Mother's Day speech serves as a significant moment in presidential rhetoric, reflecting both personal and political commitments to family welfare. In this article, we will examine the content of the speech, its key messages, public reception, and the broader context in which it was delivered.

- Overview of Biden's Mother's Day Speech
- Key Themes and Messages
- Policy Initiatives Highlighted
- Public and Media Reception
- The Historical and Cultural Context

Overview of Biden's Mother's Day Speech

Biden's Mother's Day speech was delivered with a tone of reverence and appreciation, recognizing the indispensable role mothers play in families and society. The speech was carefully crafted to resonate with a wide audience, touching on personal anecdotes and national concerns alike. President Biden reflected on his own experiences with motherhood in his family, adding a personal dimension to his address. His words were designed to inspire unity and highlight the importance of supporting mothers through public policies and community efforts.

Setting and Delivery

The speech was delivered on or around Mother's Day, with settings that ranged from formal venues to virtual addresses, depending on the year and circumstances. Biden's delivery was marked by a sincere and compassionate tone, aiming to connect emotionally while presenting substantive content. The timing of the speech often coincided with broader discussions about family policy and social support systems, reinforcing its relevance.

Audience and Reach

The intended audience for Biden's Mother's Day speech included not only mothers across the United States but also policymakers, community leaders, and the general public. The speech was broadcast on multiple platforms,

ensuring wide dissemination. It aimed to foster a collective appreciation for mothers while encouraging action to address the challenges they face.

Key Themes and Messages

Biden's Mother's Day speech centered on several interrelated themes that underscore the significance of motherhood and family support. These themes are critical for understanding the speech's impact and intent.

Gratitude and Recognition

A primary theme of the speech was expressing deep gratitude to mothers for their tireless work and sacrifices. Biden acknowledged the often unseen and underappreciated labor that mothers undertake in raising children, managing households, and contributing to communities.

Resilience and Strength

The speech highlighted the resilience of mothers, especially in the face of challenges such as economic hardship, health crises, and social inequality. Biden praised mothers for their strength and ability to persevere, serving as pillars of stability and hope.

Equality and Empowerment

Biden emphasized the importance of empowering mothers through equal opportunities and support systems. The speech addressed gender equality and the necessity of policies that provide mothers with access to healthcare, childcare, education, and workplace protections.

Family as a Foundation

The address underscored the role of the family unit as foundational to societal health and progress. Biden called for collective efforts to strengthen families and ensure mothers receive the respect and resources they deserve.

Policy Initiatives Highlighted

Beyond heartfelt tribute, Biden's Mother's Day speech often outlined specific policy initiatives aimed at improving the lives of mothers and families. These initiatives reflect the administration's commitment to family welfare.

Healthcare Access

One significant focus was expanding access to healthcare, including prenatal and postnatal care. Biden advocated for policies that ensure mothers receive comprehensive medical support during pregnancy and childbirth.

Childcare Support

The speech highlighted the need for affordable, high-quality childcare. Biden stressed that supporting childcare services is essential for enabling mothers to participate fully in the workforce and pursue economic independence.

Economic Assistance and Family Leave

Biden discussed measures such as paid family leave, increased minimum wage, and economic relief programs designed to alleviate financial burdens on mothers. These policies aim to create a more equitable environment for working mothers.

Education and Opportunity

Education initiatives, including early childhood education and support for working parents, were also featured. Biden's vision includes building systems that allow mothers and their children to thrive academically and socially.

Summary of Key Policy Points

- Expansion of maternal healthcare services
- Investment in affordable childcare programs
- Implementation of paid family leave policies
- Economic support for low- and middle-income families
- Promotion of gender equality in the workplace

Public and Media Reception

Biden's Mother's Day speech received varied reactions from the public and media outlets, reflecting its multifaceted nature and political significance.

Positive Responses

Many praised the speech for its heartfelt tone and clear acknowledgment of mothers' contributions. Advocates for family policies welcomed the administration's focus on childcare, healthcare, and economic support. The speech was seen as a reaffirmation of the administration's commitment to social justice and family welfare.

Criticism and Analysis

Some critics argued that the speech was overly political or questioned the

feasibility of the proposed policies. Others called for more concrete actions beyond rhetoric. Media analysis often explored how the speech fit within the broader political landscape and Biden's policy agenda.

Impact on Public Discourse

The speech contributed to ongoing conversations about the challenges faced by mothers, including economic inequality, healthcare access, and work-life balance. It helped elevate these issues in the national dialogue, influencing public opinion and policy debates.

The Historical and Cultural Context

Understanding the context in which Biden's Mother's Day speech was delivered offers insight into its significance and resonance.

Mother's Day Traditions in the U.S.

Mother's Day has long been a time for honoring mothers and motherhood in the United States. Presidential speeches on this occasion typically blend personal reflection with public policy messages, reflecting cultural values around family and caregiving.

Contemporary Challenges Facing Mothers

The speech was framed against current social and economic challenges, including the COVID-19 pandemic's impact on families, rising childcare costs, and ongoing debates about gender equity. These factors made the speech particularly relevant and urgent.

Presidential Rhetoric on Family

Biden's address fits within a tradition of presidential rhetoric that uses Mother's Day to highlight family values and policy priorities. This speech continued that legacy while addressing modern realities and advocating for systemic support.

biden s mother s day speech: *The Bidens* Ben Schreckinger, 2021-09-21 A deeply reported exploration of Joe Biden as told through his extended family. Coming off of the 2020 election, THE BIDENS tells the Biden Family story in full, from the secrets lurking in the deep recesses of Joe's family tree to his son Hunter's foreign deal-making spree—and the Trump gang's ham-handed efforts to exploit it. On November 3, Americans did not just elect Joe Biden: They got a package deal. The tight-knit Biden family—siblings, children, in-laws, and beyond—is coming right along with him. They are sure to play a defining role in his presidency, just as they have in every other one of his endeavors. Inside, you'll find these and other stories and revelations about the Biden family, including: Joe's childhood, the stunning 1972 Senate upset engineered by his sister Valerie, and the car accident that took the lives of his first wife and infant daughter soon after Joe's early years in the Senate and his role in the creation of the cozy "Delaware Way" of conducting politics The Biden brothers' business escapades, including the '70s rock club rivalry that pitted Jim Biden against Jill's first husband and ended in a banking scandal The Delaware lawman who oversaw an FBI investigation into Joe's 2007 campaign fundraising and now has Hunter in his sights Hunter's surprisingly close friendship with his Fox News antagonist, Tucker Carlson What Steve Bannon really hoped to accomplish by giving the contents of "the Laptop from Hell" to the New York Post New evidence that sheds light on the authenticity of Hunter's alleged computer files Like the Kennedys before them, the Bidens are a tight-knit, idealistic Irish Catholic clan with good looks, dynastic ambitions, and serious personal problems. As THE BIDENS reveals, the best way to understand Joe Biden—his values, fears, and motives—is to understand his family: Their Irish (and not-so-Irish) roots, their place in the Delaware pecking order, their dodgy business deals, and their personal struggles and triumphs alike.

biden s mother s day speech: *Maternal Narratives in Public Contexts* Catherine A. Dobris, Rachel Davidson, Kim White-Mills, 2024-12-15 *Maternal Narratives in Public Contexts: Shaping Perspectives and Enacting Identities* brings together critical research on the construction and enactment of mothering and motherhood in public spheres. The book is divided into two parts - in the first part, authors examine how prevailing ideals of motherhood influence twenty-first century culture by exploring iterations of maternal identity in various media forms, from Dr. Spock's

self-help guide to film and small-screen entertainment. In the second part, the authors investigate how tropes of motherhood manifest and operate in academia, the workplace, and in political spheres. Ultimately, this book explores how maternal identities are both formed and articulated in public discourse, arguing that rhetorical influences inform the ways in which we define, recognize, and enact maternal identities and the sociocultural ramifications that result within communication contexts. Scholars of communication, media studies, film and television studies, cultural studies, rhetoric, and women's and gender studies will find this book of particular interest.

Biden s mother s day speech: *The Politics of the Presidency* John Anthony Maltese, Andrew Rudalevige, Joseph A. Pika, 2023-12-26 Get the most up-to-date coverage and analysis of the presidency with this comprehensive text. Never losing sight of the foundations of the office, *The Politics of the Presidency* maintains a balance between historical context and contemporary scholarship on the executive branch, providing a solid foundation for any presidency course. Now in its Eleventh Edition, Maltese, Rudalevige, and Pika thoroughly analyze the change and continuity in Biden's first two and a half years in office and look forward to the competitive setting for the 2024 presidential race.

Biden s mother s day speech: *Sh*t Politicians Say* Jesse Ventura, 2016-07-12 From the moment a Founding Father first asked for a vote, politicians have been saying dumb stuff. From George Washington to George Bush (both of them!) right on to present-day pundits like Donald Trump, Sarah Palin, and Hillary Clinton, political leaders can always be counted on to say funny, exasperating, and nonsensical things, often unintentionally. In *Sh*t Politicians Say*, Jesse Ventura shares the most entertaining and disturbing "thoughts" from his political brethren, including these winners: "The concept of global warming was created by and for the Chinese in order to make U.S. manufacturing non-competitive." —Donald Trump "I am not worried about the deficit. It is big enough to take care of itself." —Ronald Reagan "I think gay marriage is something that should be between a man and a woman." —Arnold Schwarzenegger "I love California, I practically grew up in Phoenix." —Dan Quayle "A zebra does not change its spots." —Al Gore "People have got to know whether or not their president is a crook. Well, I'm not a crook. I've earned everything I've got." —Richard Nixon "Death has a tendency to encourage a depressing view of war." —former Defense Secretary Donald Rumsfeld "I'll be long gone before some smart person ever figures out what happened inside this Oval Office." —George W. Bush From bigoted statements to outright lies . . . flip-flopping to just TMI, *Sh*t Politicians Say* will provide readers with a welcome respite from the presidential campaigns.

Biden s mother s day speech: *Summary of Joe Biden's Promise Me, Dad* by Milkyway Media Milkyway Media, 2018-08-30 In *Promise Me, Dad: A Year of Hope, Hardship, and Purpose* (2017), Joe Biden recounts the grueling anxiety and fear he and his family underwent in the months leading up to the death of his son Beau. As Delaware's attorney general, Beau had crafted a promising political career and had gained popularity among his state's residents... Purchase this in-depth summary to learn more.

Biden s mother s day speech: *Women in American History* Peg A. Lamphier, Rosanne Welch, 2017-01-23 This four-volume set documents the complexity and richness of women's contributions to American history and culture, empowering all students by demonstrating a more populist approach to the past. Based on the content of most textbooks, it would be easy to reach the erroneous conclusion that women have not contributed much to America's history and development. Nothing could be further from the truth. Offering comprehensive coverage of women of a diverse range of cultures, classes, ethnicities, religions, and sexual identifications, this four-volume set identifies the many ways in which women have helped to shape and strengthen the United States. This encyclopedia is organized into four chronological volumes, with each volume further divided into three sections. Each section features an overview essay and thematic essay as well as detailed entries on topics ranging from Lady Gaga to Ladybird Johnson, Lucy Stone, and Lucille Ball, and from the International Ladies of Rhythm to the International Ladies Garment Workers Union. The set also includes a vast variety of primary documents, such as personal letters, public papers,

newspaper articles, recipes, and more. These primary documents enhance users' learning opportunities and enable readers to better connect with the subject matter.

biden s mother s day speech: One Nice Guy Not so Nice Murali Venugopalan, Johanna Venugopalan, Mundiyyath Venugopalan, 2023-05-26 This book surveys President Biden's first two years in the White House. It examines first why he hasn't been able to keep his promise to stop the pandemic and to follow always his mantra Follow the Science. Then there is discussion of the importance of critical thinking and examines how race was incorporated into it to generate the critical race theory the teaching of which in schools and colleges has come under sharp attack from parents whom his administration has termed domestic terrorists. His contention that white supremacy is the greatest danger to the country follows, with the added topics of the increase in crime since summer of 2020, associated looting, shooting and shop lifting and Democrats demand for better gun control and defunding of police. Open border and immigration is treated in the context of building back better border-less with the huge crowds there. After that we review the domestic policy, foreign policy, and climate policy, all of which has resulted in bankrolling trillions of dollars in the inflation nation with nothing to show the taxpayer who is suffering from increasing food and fuel prices daily. Three following chapters discuss the botched Afghanistan withdrawal, assisting Ukraine as hired hands with weapons and money to defend the Russian invasion, and China's actions to take control of Taiwan, respectively. The last chapter is about midterm elections in which control of the House of Representatives was taken over by Republicans and the prospects for completing two terms as president.

biden s mother s day speech: Gray Matters Theodore H. Schwartz, 2024-08-13 "If you are at all curious about the brain or the surgeons who operate on it, Gray Matters is a must read and Dr. Theodore Schwartz is the perfect guide, a master brain surgeon and superbly talented writer. I have not read a better biography of our shared profession, and in Schwartz's talented hands, the most enigmatic 3 1/2 pounds of tissue in the known universe comes to light in remarkable and revelatory ways." —Dr. Sanjay Gupta, CNN Chief Medical Correspondent, and New York Times and #1 Wall Street Journal bestselling author of *Keep Sharp: Build a Better Brain at Any Age* A popular biography of brain surgery, by one of its preeminent practitioners We've all heard the phrase "it's not brain surgery." But what exactly is brain surgery? It's a profession that is barely a hundred years old and profoundly connects two human beings, but few know how it works, or its history. How did early neurosurgeons come to understand the human brain—an extraordinarily complex organ that controls everything we do, and yet at only three pounds is so fragile? And how did this incredibly challenging and lifesaving specialty emerge? In this warm, rigorous, and deeply insightful book, Dr. Theodore H. Schwartz explores what it's like to hold the scalpel, wield the drill, extract a tumor, fix a bullet hole, and remove a blood clot—when every second can mean life or death. Drawing from the author's own cases, plus media, sports, and government archives, this seminal work delves into all the brain-related topics that have long-consumed public curiosity, like what really happened to JFK, President Biden's brain surgery, and the NFL's management of CTE. Dr. Schwartz also surveys the field's latest incredible advances and discusses the philosophical questions of the unity of the self and the existence of free will. A neurosurgeon as well as a professor of neurosurgery at Weill Cornell Medicine, one of the busiest and most highly ranked neurosurgery centers in the world, Dr. Schwartz tells this story like no one else could. Told through anecdote and clear explanation, this is the ultimate cultural and scientific history of a literally mind-blowing human endeavor, one that cuts to the core of who we are.

biden s mother s day speech: *The Presidency of Donald J. Trump* Julian E. Zelizer, 2022-04-12 Leading historians provide perspective on Trump's four turbulent years in the White House The Presidency of Donald J. Trump presents a first draft of history by offering needed perspective on one of the nation's most divisive presidencies. Acclaimed political historian Julian Zelizer brings together many of today's top scholars to provide balanced and strikingly original assessments of the major issues that shaped the Trump presidency. When Trump took office in 2017, he quickly carved out a loyal base within an increasingly radicalized Republican Party, dominated the news cycle with an

endless stream of controversies, and presided over one of the most contentious one-term presidencies in American history. These essays cover the crucial aspects of Trump's time in office, including his administration's close relationship with conservative media, his war on feminism, the solidification of a conservative women's movement, his response to COVID-19, the border wall, growing tensions with China and NATO allies, white nationalism in an era of Black Lives Matter, and how the high-tech sector flourished. The Presidency of Donald J. Trump reveals how Trump was not the cause of the political divisions that defined his term in office but rather was a product of long-term trends in Republican politics and American polarization more broadly. With contributions by Kathleen Belew, Angus Burgin, Geraldo Cadava, Merlin Chowkwanyun, Bathsheba Demuth, Gregory Downs, Jeffrey Engel, Beverly Gage, Nicole Hemmer, Michael Kazin, Daniel C. Kurtzer, James Mann, Mae Ngai, Margaret O'Mara, Jason Scott Smith, Keeanga-Yamahtta Taylor, and Leandra Zarnow.

biden s mother s day speech: Winning the Social Media War Alex Bruesewitz, 2022-04-26 *Winning the Social Media War* outlines how conservatives in the United States ceded the culture war to the left and provides a playbook with techniques on how to effectively win back influence over the culture through the use of social media. Through novel interviews, independent research, and case studies of particular accounts and individuals, Alex Bruesewitz threads together conceptual and mechanical ways of engaging with and using social media for maximum impact and influence. *Winning the Social Media War* reveals why conservatives lose to the left on social media and provides a tool kit to turn the tide back toward conservatism. Whether you are seeking to advance your personal social media status or that of a candidate, organization, brand, or movement, you will benefit from the collective years of experience of influential conservative figures. This book is required reading for conservatives aiming to stand athwart history yelling, "Stop!" with the amplitude that people—and God-willing, the nation—can actually hear.

biden s mother s day speech: *Gender and Parenthood* W. Bradford Wilcox, Kathleen Kovner Kline, 2013-02-12 The essays in this collection deploy biological and social scientific perspectives to evaluate the transformative experience of parenthood for today's women and men. They map the similar and distinct roles mothers and fathers play in their children's lives and measure the effect of gendered parenting on child well-being, work and family arrangements, and the quality of couples' relationships. Contributors describe what happens to brains and bodies when women become mothers and men become fathers; whether the stakes are the same or different for each sex; why, across history and cultures, women are typically more involved in childcare than men; why some fathers are strongly present in their children's lives while others are not; and how the various commitments men and women make to parenting shape their approaches to paid work and romantic relationships. Considering recent changes in men's and women's familial duties, the growing number of single-parent families, and the impassioned tenor of same-sex marriage debates, this book adds sound scientific and theoretical insight to these issues, constituting a standout resource for those interested in the causes and consequences of contemporary gendered parenthood.

biden s mother s day speech: Dorothy Hughes, 2010-02

biden s mother s day speech: *Yesterday's Man* Branko Marcetic, 2020-02-25 *Yesterday's Man: The Case Against Joe Biden* exposes the forgotten history of Joe Biden, one of the United States' longest-serving politicians, and one of its least scrutinized. Over nearly fifty years in politics, the man called Middle-Class Joe served as a key architect of the Democratic Party's rightward turn, ushering in the end of the liberal New Deal order and enabling the political takeover of the radical right. Far from being a liberal stalwart, Biden often outdid even Reagan, Gingrich, and Bush, assisting the right-wing war against the working class, and ultimately paving the way for Trump. The most comprehensive political biography of someone who has tried for decades to be president, *Yesterday's Man* is an essential read for anyone interested in knowing the real Joe Biden and what

he might do in office.

Biden s mother s day speech: Peace and Hope in Dark Times , 2023-05-25 The papers collected here apply the insights of the philosophy of peace to contemporary issues and the larger problem of what it means to have hope and to work for peace in dark times. The authors included in this volume respond to contemporary challenges posed by the Trump Era and the COVID-19 crisis. This represents a novel application and exploration of concepts and ideas found in the philosophy of peace and nonviolence. The authors elucidate the philosophy of peace and general approaches to building peace while applying these ideas to current crises.

Biden s mother s day speech: Barack Obama Kathleen Perricone, 2020-09-08 The 44th President of the United States of America. A look back at the most memorable moments of Barack Obama's extraordinary life, beloved family and historic political career. It's been a over a decade since Barack Obama made history when he was elected America's first black president. During his eight years in the White House, he brought about incredible change: He reformed health care, legalized same-sex marriage and ordered the military operation that resulted in the death of September 11 mastermind Osama bin Laden. This book takes a close look at Obama's life: From his lonely childhood in Hawaii and formative college years to how the relatively unknown Illinois Senator beat veteran Senator John McCain in the 2008 election. It also reveals how Michelle Obama sacrificed her career and family life in order for her husband to achieve his dream of becoming president. Plus, what the Obamas have been up to since they left the White House, and what's next for them.

Biden s mother s day speech: Women of the White House Amy Russo, 2021-05-27 Women of the White House looks at the work, lives and times of the 47 women officially recognized as America's first lady. Through portraits, photographs, accounts and profiles, the book examines their contributions to the presidencies they supported and to the 230-year history of the role. The women who have held the position have evolved it from White House hostess to campaigner for social causes and a game-changing leadership position. A role model for the world, a powerful political player, a traditional yet modern woman – the position of first lady of the United States is many-faceted, complex and beyond high profile. In this fully up-to-date book, Amy Russo explores how the social platforms these women established – from Mary Todd Lincoln's work for slaves and soldiers after the Civil War to feminist icon Michelle Obama's fight for girls' education – have not only made the role iconic but also shaped America.

Biden s mother s day speech: The Book of Joe Jeff Wilser, 2017-10-24 The ultimate guide to President Joe Biden, filled with all the fun, all the inspiration, and none of the malarkey. The aviators. The Amtrak. The bromance with Barack Obama. Few politicians are as iconic, or as beloved, as Joe Biden. Now, in The Book of Joe, Biden fans and political junkies alike have the ultimate look at America's 46th president. Covering the key chapters in Biden's life and career—and filled with classic Biden-isms, including “That's a bunch of malarkey” and “I may be Irish, but I'm not stupid”—this entertaining blend of biography, advice, and muscle cars explores the moments that forged Joe Biden, and what they can teach us today. But along with this “Wisdom of Joe,” the book also reveals the inspirational story of a man whose life has been shaped by his father's advice: Get back up. Time after time, Biden has bounced back from both personal heartbreaks and professional disappointments, and just like Joe, sometimes we all have to dust ourselves off and fight back. Packed with lessons we need now more than ever, The Book of Joe is both a celebration of a revered political figure and a testament to the power of a life filled with integrity, perseverance, and plenty of ice cream.

Biden s mother s day speech: The Biden Malaise Kimberley Strassel, 2023-07-18 “In the style of a dogged prosecutor, Strassel builds a devastating case against Joe Biden's record...THE BIDEN MALAISE is must-read ahead of 2024, as conservative voters prepare to make consequential choices.”—Guy Benson, Fox News & Townhall.com The bestselling author of Resistance (At All Costs) and The Intimidation Game argues that Joe Biden, like Jimmy Carter before him, has mired the country in weakness, inflation and political unease. Whether in politics or policy, the parallels

between the Biden and Carter presidencies are now beyond striking. Two presidents—separated by nearly 50 years—beset by the same domestic and foreign policy morasses, politically swamped by a national ennui. However, *THE BIDEN MALAISE* will examine why such claims overlook important nuances that show President Biden's blunders are ultimately far worse. Our current president inherited a better situation along with the lessons of what not to do from Carter's governance. Biden, captive to an ascendent progressive wing of his party, doubled down on Carter's mistakes and created crises that were as avoidable as they are now severe. From soaring energy prices and inflation to humiliating foreign policy errors, the Biden administration's political mess is self-imposed. His political handling of these fiascoes—like Carter—has only made his situation worse. Democrats risk a public backlash of the sort that opened the way to the Reagan Revolution. Award-winning and bestselling journalist Kim Strassel offers a formula for the GOP to capitalize from this mayhem; one that rekindles the bold and reformist approach of the 80s and 90s, an aspirational agenda that puts Americans back in control of their destiny on issues ranging from healthcare, to energy, to entitlements. *THE BIDEN MALAISE* is a penetrating look at our current political climate and a book that explains how the GOP can use this opportunity to elect a leader who can restore faith in American exceptionalism.

biden s mother s day speech: *The Woodward Trilogy* Bob Woodward, Robert Costa, 2021-09-21 Discover the inside story of life inside President Trump's White House as only #1 internationally bestselling author Bob Woodward can tell it with this collection of Woodward's most revealing and unprecedented works including *Fear*, *Rage*, and *Peril*. With authoritative reporting, internationally bestselling author Bob Woodward offers an exposing and riveting account of President Trump's term in office—from the beginning to the final transfer of power to President Biden's administration. In vivid detail, Woodward paints the most intimate portrait of a sitting president ever published in this complete trilogy following the Trump presidency. This collection includes: *Fear*: An "explosive" (The Washington Post) and "devastating" (The New Yorker) look at the harrowing life inside President Donald Trump's White House and precisely how he makes decisions on major foreign and domestic policies. *Fear* is the inside story on President Trump as only Bob Woodward can tell it, drawing from hundreds of hours of interviews with firsthand sources, meeting notes, personal diaries, files, and documents. *Rage*: An unprecedented and intimate tour de force of reporting on the Trump presidency facing a global pandemic, economic disaster, and racial unrest. In dramatic detail, Woodward has uncovered the precise moment the president was warned that the Covid-19 epidemic would be the biggest national security threat to his presidency. *Peril*: The book covers the end of the Trump presidency and the early months of the Biden presidency.
