Where you live? Where you work? And what are those key identities? For Abe Sargent, those key identities are being a Christian; enjoying nerd activities; being a man; growing up in West Virginia; and living with a genetic, progressively worsening, neurological condition called Huntington's disease. These key identities infuse who we are. Join Abe's journey as he chronicles key times in his life, from childhood to adolescence. He discusses the lessons learned and how he has embraced the challenges of dealing with affliction as well the poverty of southern West Virginia and more. He discusses the challenges of being a gamer and nerd as a Christian. And he uses his knowledge of growing up as a Christian to infuse his conversations and explorations of life as a child, young adult, and mature adult today. Abe's favorite Bible verse is John 13:1435: A new commandment I give you: Love one another. As I have loved you, so also you must love one another.
