Without getting bogged down in the science, Mr. Webster provides simple assurance that the God of Christianity is the only real God. But

the God of Christianity has gained a terrible reputation, and these books address how understanding the biblical message from God's perspective reveals a God who really is good and wonderful and even exciting. Mr. Webster addresses misunderstandings about Christian love and the nature of sin, saving faith, Christian hope (heaven), God's plan, the role of suffering, the role of prayer, the role of Christian forgiveness, and the role of the church, taking the reader back to the Bible over and over to show that Christianity was always meant to be exciting and good.
