bible verse about problem solving: Sensing the Scriptures Karlfried Froehlich, 2014-09-21

This book explores the ways that Christians, from the period of late antiquity through the Protestant Reformation, interpreted the Bible according to its several levels of meaning. Using the five bodily senses as an organizing principle, Karlfried Froehlich probes key theological developments, traditions, and approaches across this broad period, culminating in a consideration of the implications of this historical development for the contemporary church. Distinguishing between principles and rules of interpretation, Froehlich offers a clear and useful way of discerning the fundamental difference between interpretive methods (rules) and the overarching spiritual goals (principles) that must guide biblical interpretation. As a study of roots and reasons as well as the role of imagination in the development of biblical interpretation, *Sensing the Scriptures* reminds us how intellectually and spiritually relevant the pursuit of a historical perspective is for Christian faith and life today.

bible verse about problem solving: *Praying Personalities* Janet Holm McHenry, 2024-02-13 Discover the particular way God designed you to connect with Him through prayer You should pray in the morning. You should write out your prayers. You should make prayer lists and pray through them every day. You should pray with others or out loud. We've all heard the you shoulds of prayer from pulpits, presenters, and well-meaning friends. But when none of these ways to pray feel natural, what's next? Janet Holm McHenry has studied prayer extensively, and the one thing she knows for sure is that there's no one-size-fits-all way to pray. Instead, there are different styles of prayer--and by discovering the style most instinctive to each individual personality, staying in touch with God throughout the day becomes simple and all the more joyful. In this book, the author helps readers determine their particular praying personality by examining the praying styles of biblical people, spiritual gifts, and various ideas about personality, including the classic temperaments, the Enneagram, and more. McHenry includes scores of bulleted suggestions for developing a praying lifestyle that works for individuals. She has also created a Praying Personality Quiz for readers (available in the book and online) to help narrow down the style that will most naturally fit into how they process a prayer life. Whether a longtime Christian who has tried various prayer strategies but can't keep up or a new believer looking to learn about this spiritual discipline, every reader who dives into this book will come away with a renewed prayer life and a greater understanding of who God created them to be.

bible verse about problem solving: 500 Prayers Against Spiritual Attack Dr. Olusola Coker, 2018-09-01 .This Book Contains 500 Powerful prayers against the powers of darkness, Evil forces, Powers of the Witches and all rulers of darkness of this world. According to Ephesians 6:12 which states “For we wrestle not against flesh and blood, but against principalities, against powers of darkness, against spiritual wickedness in high places.” When considering Prayers against the powers of darkness we need to understand that we are in a war. Battles make up smaller components of the bigger picture. By definition, battles involve combat between two persons, between factions, between armies and they consist of any type of extended contest, struggle, or controversy” As Christians, we are in a spiritual battle of some sort on a daily basis. In warfare, battles are fought on different fronts, for different reasons, and with varying degrees of intensity. The same is true in spiritual warfare. Our spiritual battles and warfare are real, though we cannot physically see the attacker. But, we can educate ourselves on how the battles are fought and how they impact our lives on a daily basis. We have to ask ourselves, “Why do we even want to fight?” It will do us no good to educate ourselves on the battle if we see no reason for the fight. War is very controversial today in the physical realm. Those attitudes, beliefs and convictions will transfer over to the spiritual realm. However, in the spiritual realm, there is a battle going on regardless of our opinion. We are either victors or victims. Jesus has come and conquered. The war is already won in the heavens. Jesus told us in Matthew 28:18 that, All authority has been given to me in heaven and on earth.” We now have the privilege of having an eternal relationship with God. Many of us enter into that covenant of salvation by grace. But the Matthew 28:18 verse is not only about our salvation; it is also about our every day victory, which adds up to victorious living in Christ. Every day victory is achieved by knowing, believing and understanding the battles that we are enduring daily, regardless if we are passive or active in the battles. Do you want all that God has for you on this earth right now, or do you want to wait until you get to heaven to receive the victory and blessings? In this Book you will understand the Battle of Spiritual Warfare together with over 500 prayers that will enable you to fight the powers of darkness and be victorious. The prayers ensure that you will recover all your possessions and your God given potentials in you. You will also get back all that the Devil has taken away from you. Are you facing the following challenges, living in an anti-Christ nature and following their Doctrine, Living out of faith, Sexual temptations for unmarried, Sexual harassment, Divorce, Destruction of life, Poverty, Lack of focus, Confusion, Homosexuality, Lesbianism, Drug Addiction, Joblessness., No sense of Direction, Confusion, Lazy to Prayer , Not willing to serve God, and many more.
