- Accessibility and Special Parking Accommodations
- Tips for Efficient Parking and Arrival

Parking Facilities at Sloan Park

Sloan Park, home to the Chicago Cubs' spring training, offers a variety of parking options to accommodate thousands of fans. The stadium's parking lot is designed to provide convenient access to the ballpark, with clearly marked zones and designated areas for different types of vehicles. The main parking facility is located adjacent to the stadium, allowing fans to park within walking distance of the gates. Additionally, overflow parking areas are established during high-attendance games to manage the increased volume of vehicles.

On-Site Parking

On-site parking at Sloan Park is the most popular choice for fans attending Cubs spring training games. The lot features thousands of spaces, including standard, premium, and accessible parking spots. Premium parking areas are available for those seeking closer proximity to the stadium entrance. On-site parking lots open several hours before the first pitch, allowing ample time for fans to find a spot and enter the venue without rushing.

Overflow and Off-Site Parking

During peak games, overflow parking areas become essential to accommodate additional vehicles. These lots are typically located a short distance from the stadium and often require shuttle service for transport to and from the ballpark. Off-site parking options may include nearby commercial lots or designated public parking areas. Planning ahead and arriving early can help secure a spot in these overflow areas.

Parking Costs and Payment Methods

Understanding the costs associated with Cubs spring training parking helps fans budget their visit appropriately. Parking fees vary depending on the location and convenience of the parking spot. On-site standard parking is generally priced affordably, while premium or reserved spaces command higher rates. Payment methods are flexible to accommodate diverse visitor preferences.

Standard Parking Fees

The standard parking fee at Sloan Park for spring training games typically ranges from \$10 to \$20 per vehicle, depending on the game day and demand. This fee grants access to the main parking lot with easy stadium access. It is advisable to confirm current rates before attending, as prices may fluctuate based on the popularity of the matchup or special events.

Accepted Payment Options

Payment for parking is accepted via multiple methods, including cash and credit or debit cards. Some parking lots also offer mobile payment options through designated apps, providing a contactless and convenient way to pay. Utilizing mobile payment can reduce wait times at entry points and streamline the parking process.

Shuttle Services and Alternative Transportation

For fans opting to park off-site or seeking alternative transportation modes, shuttle services and public transit options are available. These services enhance accessibility and reduce parking congestion around Sloan Park. Utilizing shuttles or public transit can be a practical choice, especially during high-attendance games or when on-site parking is limited.

Shuttle Service Details

Shuttle buses operate between designated off-site parking lots and Sloan Park, running at regular intervals before and after games. These shuttles are typically included in the parking fee or require a nominal additional charge. Shuttle service provides a direct and efficient connection, minimizing walking distance and parking hassles for attendees.

Public Transportation Options

Public transportation, including local bus routes, serves the Mesa area and can be an economical and eco-friendly alternative to driving. While public transit may not drop passengers directly at Sloan Park, nearby stops within walking distance are available. Fans should review transit schedules and routes in advance to coordinate their arrival and departure times accordingly.

Accessibility and Special Parking Accommodations

Sloan Park is committed to providing accessible parking and accommodations for fans with disabilities. Designated accessible parking spaces are available close to stadium entrances, allowing for convenient access. These accommodations ensure that all attendees can enjoy Cubs spring training games comfortably and safely.

Accessible Parking Locations

Accessible parking spots are strategically located near the main entrances of Sloan Park. These spaces require appropriate permits, such as a state-issued disabled parking placard or license plate. The number of accessible spots is designed to meet the needs of the disabled community in compliance with the Americans with Disabilities Act (ADA).

Additional Accessibility Services

Beyond parking, Sloan Park offers services such as wheelchair rentals, accessible seating, and assistance from stadium staff. Fans requiring special accommodations are encouraged to contact the venue ahead of time to arrange for any needed services, ensuring a smooth and enjoyable experience during Cubs spring training events.

Tips for Efficient Parking and Arrival

Maximizing convenience and minimizing stress when attending Cubs spring training games can be achieved by following several practical tips. Efficient parking and timely arrival contribute to a positive game-day experience and allow fans to focus on enjoying the baseball action.

1. Arrive early to secure preferred parking spots and avoid traffic congestion near the stadium.
2. Consider purchasing parking passes in advance if available, to guarantee a spot and expedite entry.
3. Use shuttle services from off-site lots to reduce parking difficulties and walking distance.
4. Check weather conditions and dress appropriately for walking from parking areas to the stadium.
5. Carry payment methods accepted at parking lots, including cash and mobile payments.
6. Review Sloan Park's parking map and signage to familiarize yourself with lot locations before arrival.
7. Utilize accessible parking if eligible and arrange for additional accommodations as needed.

cubs spring training parking: Spring Training Handbook Josh Pahigian, 2013-06-12 Spring training is a time of renewal for baseball, when teams and fans descend on Florida and Arizona to begin the ever hopeful new season. The pace is a little slower, the fans are closer to the action, and the players are more accessible: the sport returns to its idyllic roots. When the first edition of this book was released, 18 of the MLB teams trained in Florida and 12 in Arizona. As 2013 arrives each league consists of 15 teams; together they utilize 14 parks in Florida and 10 in Arizona. This heavily illustrated work dedicates a chapter to each park, including modern Cactus League marvels like Camelback Ranch and Salt River Fields, and Grapefruit League bastions like Joker Marchant Stadium and McKechnie Field. Florida's Fenway Park replica, which opened in 2012, is included. In addition to profiling the five parks that have opened since the first edition, the author has updated the other chapters. Each provides a description of the park, and a recounting of its history, followed by a summary of the home team or teams' spring history. Next is a review of the park's seating, concessions and fan traditions. Each chapter concludes with information about nearby baseball landmarks and attractions.

cubs spring training parking: Dick, No Jane Richard Groth, 2021-07-23 Sitting around with friends, I would usually have an opportunity to bring up one of my stories. Hey, that reminds me of this vacation, that sports road trip, or one of the movies I worked on. Finally, After years of listening, my good friend Brenda blurted out: Would you just write a....ing book. I've been to 27 countries and have a lot of stories, starting in the spring of 1970. Most of them good. Most of them fun and interesting. Some of them informative. (little bit of tour guide) And alcohol has a part in a few of them.

cubs spring training parking: *Once More Around the Park* Roger Angell, 2023-05-01 The most celebrated baseball writer of our time has selected his favorite pieces from the last forty years to create *Once More Around the Park*, a definitive volume of his most memorable work. Mr. Angell includes writing never previously collected as well as selections from *The Summer Game*, *Five Seasons*, *Late Innings*, and *Season Ticket*. He brings back the extraordinary games, innings and performances that he has witnessed and written about so astutely and gracefully—"The Interior Stadium," on the complex attractions of baseball; "In the Country," on a friendship that began with a fan letter and took him far from the big stadiums and big money; "The Arm Talks," on contemporary pitching strategy and the arrival of the split-finger delivery; and many others. Mr. Angell's conversations with past and present players and managers, scouts and coaches, rookies and Hall of Famers enhance his own expertise and critical appreciation, which define him as the game's most useful and ardent fan. "Angell resembles a pitcher with pinpoint control. As a chronicler of the game, he's in a class with Ring Lardner and Red Smith."—*Newsweek*. "Angell's perceptions are fresh, vivid, and uncannily accurate.... Only a fan who cares this much could observe so carefully and write so eloquently."—*San Francisco Chronicle*. "A triumph of art and grace."—*Chicago Tribune Book World*. In the course of a well-lived century, he established himself as. . .baseball's finest, fondest chronicler. —*The New Yorker*

cubs spring training parking: *A Season for the Ages* Al Yellon, 2016-12-06 No doubt, you've heard about the Cubs' decades-long run of futility. They hadn't won a pennant in seventy-one years or a World Series in a record 108 years. To the frustration of Cubs fans everywhere, the team often missed chances with soul-crushing defeats. But after a complete teardown that resulted in a 100-loss season in 2012, Theo Epstein and his baseball staff reversed that with the Cubs of 2016, a team that was not only supremely talented, but cared nothing for all the media narratives of losing. They did things during the regular season that no Cubs club had done in more than a century, including earning the most wins for the franchise since 1910. The club went on to defeat the San Francisco Giants and Los Angeles Dodgers in the National League playoffs before beating the Cleveland Indians to win the World Series. Anthony Rizzo, MVP candidate Kris Bryant, Jake Arrieta, Jon Lester, manager Joe Maddon, and fan favorites like Javier Baez and David Ross are the heroes of the 2016 Cubs' story. Told by Al Yellon, managing editor of *SB Nation's Bleed Cubbie Blue*, *A Season to Remember* chronicles not only the 2016 Cubs' rise to the top of the baseball heap, but the team's—and the fans'—long journey to get there.

cubs spring training parking: *Spring Training* Dan Shaughnessy, Stan Grossfeld, 2003 Before the purpose-pitch that zips inches from the batter's head, before greenfly autograph-seekers stalk hotel lobbies, before thousands of fans stand up and boo in 50,000-seat stadiums, before the proverbial dog days of summer and the pressure-packed moments of October . . . there is sweet spring. The long hello. Baseball's early season. The words spring training have long held special power over baseball fans. They signal the arrival of fresh air and sunshine after a long winter devoid of bare feet and box scores. The chance to see the game up close and personal, in beautiful slow motion. No other sport undergoes this slow, glorious unfolding. And no other book captures

baseball's rite of passage in all its magic. Come on a wild ride through spring training's many attractions and peculiarities, from Florida to Arizona, the National to the American League, the dugouts to Section D. Glimpse retirees in Hawaiian shirts singing Take Me Out to the Ball Game, million-dollar players taking it easy on the field and in the bars, young rookies flashing their skills, grizzled vets going through the motions, wide-eyed children dressed from head to toe in their favorite team's garb. It's all here, from Alligator Alley to Cactus Way, sit-ups to sunblock, home runs to hangovers -- a lively tribute to America's favorite pastime in its purest, most wonderful form.

cubs spring training parking: *Brit at the Ballpark* Peter Taylor, 2011-08-31 This work follows the journey Peter Taylor undertook during the summer of 2007 (and a bit of 2009), when he set out to achieve a long held ambition and see a baseball game in every major league ballpark, a minor league game in those states without a major league franchise, plus the All-Star game and the post-season. His adventures along the way include throwing out a first pitch in Connecticut, becoming a TV reporter for the post-season, and undergoing an eye operation. It also looks whimsically at America's pastime, and America, through the eyes of an Englishman, and how we are, in the words of George Bernard Shaw, two nations separated by a common language.

cubs spring training parking: *Moon Baseball Road Trips* Timothy Malcolm, 2021-05-04 Sunshine, hot dogs, friends, and the excitement of the game: Baseball is called America's pastime for a reason. cubs spring training parking: *Chicago Cubs* Fred Mitchell, 2013-03 Mitchell catches up with former Cubs players-- some of them famous, some of them obscure, all of them unforgettable. Find out what happened after the gloves came off.

cubs spring training parking: *Cactus League* Susie Steckner, Mesa Historical Museum, 2012-02-27 Arizona's baseball roots run long and deep, but the star of the show is the Cactus League. The states spring training history is filled with social, political, and cultural intrigue, not to mention a roster of baseball greats. Early on, fans watched Joe DiMaggio, Ted Williams, Willie Mays, and the American League's first black player, Larry Doby. Beyond the field, baseball became part of the states social fabric, as players and fans alike flocked to watering holes, hotels, parades, and a desert resort famous for its mineral baths. History also saw a political battle to save the Cactus League and

fend off Floridas attempts to dominate spring training. Today, the Cactus League is a 15-team powerhouse that holds court in Arizona each spring.

cubs spring training parking: The Cubs Way Tom Verducci, 2018-04-03 The New York Times Bestseller With inside access and reporting, Sports Illustrated senior baseball writer and FOX Sports analyst Tom Verducci reveals how Theo Epstein and Joe Maddon built, led, and inspired the Chicago Cubs team that broke the longest championship drought in sports, chronicling their epic journey to become World Series champions. It took 108 years, but it really happened. The Chicago Cubs are once again World Series champions. How did a team composed of unknown, young players and supposedly washed-up veterans come together to break the Curse of the Billy Goat? Tom Verducci, twice named National Sportswriter of the Year and co-writer of *The Yankee Years* with Joe Torre, will have full access to team president Theo Epstein, manager Joe Maddon, and the players to tell the story of the Cubs' transformation from perennial underachievers to the best team in baseball. Beginning with Epstein's first year with the team in 2011, Verducci will show how Epstein went beyond *Moneyball* thinking to turn around the franchise. Leading the organization with a manual called *The Cubs Way*, he focused on the mental side of the game as much as the physical, emphasizing chemistry as well as statistics. To accomplish his goal, Epstein needed manager Joe Maddon, an eccentric innovator, as his counterweight on the Cubs' bench. A man who encourages themed road trips and late-arrival game days to loosen up his team, Maddon mixed New Age thinking with Old School leadership to help his players find their edge. *The Cubs Way* takes readers behind the scenes, chronicling how key players like Rizzo, Russell, Lester, and Arrieta were deftly brought into the organization by Epstein and coached by Maddon to outperform expectations. Together, Epstein and Maddon proved that clubhouse culture is as important as on-base-percentage, and that intangible components like personality, vibe, and positive energy are necessary for a team to perform to their fullest potential. Verducci chronicles the playoff run that culminated in an instant classic Game Seven. He takes a broader look at the history of baseball in Chicago and the almost supernatural element to the team's repeated losses that kept fans suffering, but also served to strengthen their loyalty. *The Cubs Way* is a celebration of an iconic team and its journey to a World Championship that fans and readers will cherish for years to come.

cubs spring training parking: Cubs Fred Mitchell, 2004 Written by veteran Chicago Tribune sportswriter Mitchell, this unique look back at Chicago baseball history researches 50 former Cubs players--some of them famous, many of them fairly obscure, all of them unforgettable.

cubs spring training parking: Diamonds Sparkling Across America Jesse Ellis, 2013-09-06 Professional baseball in America is a source of pride and enjoyment for millions of Americans. As of 2013, 48 of our 50 states had some level of professional baseball. Author Jesse Ellis has visited at least one professional ballpark in each of those states. Travel with Jesse across this great land to over 230 ballparks from Maine to Arizona, Washington, DC, to Seattle, Washington, and beyond the U.S. borders. Visit parks at every level from independent leagues to the major leagues. Check out which parks are classic and which parks are state of the art. Find out which parks have the best accessibility and which are the most fan friendly. Learn a little professional baseball history along the way. Most of all, learn how much fun it can be for you to discover the many great parks that make up the *Diamonds Sparkling Across America*.

other attractions

cubs spring training parking: *Under the March Sun* Charles Fountain, 2009-03-04 There is nothing in all of American sport quite like baseball's spring training. This annual six-week ritual, whose origins date back nearly a century and a half, fires the hearts and imaginations of fans who flock by the hundreds of thousands to places like Dodgertown to glimpse superstars and living legends in a relaxed moment and watch the drama of journeyman veterans and starry-eyed kids in search of that last spot on the bench. In *Under the March Sun*, Charles Fountain recounts for the first time the full and fascinating history of spring training and its growth from a shoestring-budget roadtrip to burn off winter calories into a billion-dollar-a-year business. In the early days southern hotels only reluctantly admitted ballplayers--and only if they agreed not to mingle with other guests. Today cities fight for teams by spending millions in public money to build ever-more-elaborate spring-training stadiums. In the early years of the 20th century, the mayor of St. Petersburg, Florida, Al Lang, first realized that coverage in northern newspapers every spring was publicity his growing city could never afford to buy. As the book demonstrates, cities have been following Lang's lead ever since, building identities and economies through the media exposure and visitors that spring training brings. An entertaining cultural history that taps into the romance of baseball even as it reveals its more hard-nosed commercial machinations, *Under the March Sun* shows why spring training draws so many fans southward every March. While the prices may be growing and the intimacy and accessibility shrinking, they come because the sunshine and sense of hope are timeless.

cubs spring training parking: Press Summary - Illinois Information Service Illinois Information Service, 1988

cubs spring training parking: *My Summer as a Cub* R. Rathbone Leonard, 2011-09-22 Lenny Puddock writes of his experiences as a Chicago Cub during the 2011 baseball season. Puddock is a 32-year-old physical therapist for the Indianapolis National Institute of Fitness and Health who attended Randy Hundley's Fantasy Camp. Part of the Fantasy Camp experience is his developing friendship with Gertrude Castellano, a waitress who becomes a singing star. They romance at a distance. Puddock is invited to the Cubs Spring Training after an outstanding performance at the Camp. The Cubs offer him a contract with the Daytona Class A team and he accepts. Puddock is moved up to Class AA Tennessee in mid-May and is called up to the Cubs in mid-July. He was batting .378. In mid-August Mike Quade resigns as manager. Ryne Sandberg, who had an escape clause in his contract with a Phillies Minor League team, becomes the Cubs manager. When Puddock joined the parent club, the Cubs were 10 games out of first place. By the end of August they are four from the Wild Card spot. In the waning days of August the roster was two short due to injuries. Sandberg did not want to disrupt the Iowa or Tennessee playoff-bound teams, so he activated Greg Maddux and himself, thinking the roster had to contain the maximum 25 players. Plans were to activate two players before the August 31 midnight deadline but due to an intern's goof not recognizing the difference in Eastern Standard Time and Central Standard Time, the move came too late. In essence the Cubs would have only a 23-player Post-Season roster. The Cubs win their Division and League playoffs and enter World Series for the first time in 76 years. In an amazing ninth inning of the seventh game, the Cubs win the Series.

cubs spring training parking: *Waiting for the Cubs* Floyd Sullivan, 2014-01-10 This is a memoir of a diehard--a diehard fan who drove himself and his family half crazy to get to Cubs games that were 700 miles away from their home. Along the way Sullivan recounts the history of Cubs baseball, including events from the 1908 season, as well as reminiscences from other fans and stories of his own experience following a team that has gone more than a century without attaining that final win that would make them world champions.

cubs spring training parking: Season Ticket Roger Angell, 2013-02-05 *DIV*Angell's absorbing collection traces the highs and lows of major-league baseball in the 1980s /divDIV Roger Angell once again journeys through five seasons of America's national pastime--chronicling the larger-than-life narratives and on-field intricacies of baseball from 1982 to 1987. Angell's collected

New Yorker essays, written in his unique voice as a fan and baseball aficionado, cover the development of the game both on the diamond and off. While diving into subjects such as Sparky Anderson's '84 Detroit Tigers, the legendary 1986 World Series and the Curse of the Bambino, and the increasingly pervasive issue of player drug use, Angell reveals the craft and technique of the game, and the unforgettable stories of those who played it./div
