cubs spring training site: *My Summer as a Cub* R. Rathbone Leonard, 2011-09-22 Lenny Puddock writes of his experiences as a Chicago Cub during the 2011 baseball season. Puddock is a 32-year-old physical therapist for the Indianapolis National Institute of Fitness and Health who attended Randy Hundley's Fantasy Camp. Part of the Fantasy Camp experience is his developing friendship with Gertrude Castellano, a waitress who becomes a singing star. They romance at a distance. Puddock is invited to the Cubs Spring Training after an outstanding performance at the Camp. The Cubs offer him a contract with the Daytona Class A team and he accepts. Puddock is moved up to Class AA Tennessee in mid-May and is called up to the Cubs in mid-July. He was batting .378. In mid-August Mike Quade resigns as manager. Ryne Sandberg, who had an escape clause in

his contract with a Phillies Minor League team, becomes the Cubs manager. When Puddock joined the parent club, the Cubs were 10 games out of first place. By the end of August they are four from the Wild Card spot. In the waning days of August the roster was two short due to injuries. Sandberg did not want to disrupt the Iowa or Tennessee playoff-bound teams, so he activated Greg Maddux and himself, thinking the roster had to contain the maximum 25 players. Plans were to activate two players before the August 31 midnight deadline but due to an intern's goof not recognizing the difference in Eastern Standard Time and Central Standard Time, the move came too late. In essence the Cubs would have only a 23-player Post-Season roster. The Cubs win their Division and League playoffs and enter World Series for the first time in 76 years. In an amazing ninth inning of the seventh game, the Cubs win the Series.

cubs spring training site: Spring Training Handbook Josh Pahigian, 2013-06-12 Spring training is a time of renewal for baseball, when teams and fans descend on Florida and Arizona to begin the ever hopeful new season. The pace is a little slower, the fans are closer to the action, and the players are more accessible: the sport returns to its idyllic roots. When the first edition of this book was released, 18 of the MLB teams trained in Florida and 12 in Arizona. As 2013 arrives each league consists of 15 teams; together they utilize 14 parks in Florida and 10 in Arizona. This heavily illustrated work dedicates a chapter to each park, including modern Cactus League marvels like Camelback Ranch and Salt River Fields, and Grapefruit League bastions like Joker Marchant Stadium and McKechnie Field. Florida's Fenway Park replica, which opened in 2012, is included. In addition to profiling the five parks that have opened since the first edition, the author has updated the other chapters. Each provides a description of the park, and a recounting of its history, followed by a summary of the home team or teams' spring history. Next is a review of the park's seating, concessions and fan traditions. Each chapter concludes with information about nearby baseball landmarks and attractions.

cubs spring training site: Chicago Cubs Jim Vitti, 2010 It's not quite like today's spring training: one might find a rookie ballplayer (nicknamed Hack) uprooting trees with his bare hands or a future president of the United States getting into a barroom brawl with some grizzled sportswriters. The team was the Chicago Cubs, and the place was Santa Catalina Island-through the Roaring Twenties, Great Depression, and World War II. William Wrigley owned both island and ballclub; from 1921 to 1951, they came together. There were movie stars, like Betty Grable and Marilyn Monroe. There were grand steamships, big bands, hopes and dreams, and World Series rings. It's Chicago Cubs: Baseball on Catalina Island, and it's a trip like no other.

cubs spring training site: Baseball Fantography Andy Strasberg, 2012-04-08 A treasury of candid photos and behind-the-scenes trivia covering decades of baseball history. Realizing he couldn't be the only one with these hidden photographic gems, he began collecting baseball photos taken by fans. The book contains: More than 250 never-before-published images of such players as Roberto Clemente, Mickey Mantle, Derek Jeter, and Josh Hamilton Chapters on subjects like ballparks, spring training, broadcasters, dugouts, and baseball cards Contributions from baseball aficionados and notables like Hall of Famer Ozzie Smith, a thirty-five-year veteran Topps baseball photographer, and a former president of the Baseball Hall of Fame A foreword by Bob Costas

cubs spring training site: Tampa Spring Training Tales Rick Vaughn, 2024-03-11 Author Rick Vaughn uncovers the stories that keep Tampa's passion for the National Pastime burning. Since 1913, Tampa has provided the background for some of the Major League Baseball's most iconic spring moments led, of course, by the longest home run of Babe Ruth's career. Tampa was the scene of the Grapefruit League's first no-hitter and the only spring time All-star Game. It was the first gathering place of the Big Red Machine and the Core Four. Well over 125 Hall of Famers honed

their craft among the city's three major league ballparks: Plant Field, Al Lopez Field and Steinbrenner Field. All of it resulted from a diverse city's love of the game that began with baseball-crazed cigar factory workers before the turn of the 20th century.

cubs spring training site: *Jimmie Foxx* W. Harrison Daniel, 2004-02-10 In February 1925, 17-year-old Jimmie Foxx left his home in Sudlersville, Maryland, and joined the Philadelphia Athletics in spring training. Over the next twenty years, Foxx was one of the most consistent stars in the majors. His long home runs were legendary--his 535 were second only to Babe Ruth's 714 when he retired in 1945. Only six years later, he was elected to the Baseball Hall of Fame. Foxx tried his hand at a variety of jobs after he left baseball, but seemed always to be drawn back to the game. He coached and managed in the minor leagues and even managed the Fort Wayne Daisies of the All American Girls Professional Baseball League in 1953. This is the story of Foxx's rise to glory, his life in and out of the game, and his love affair with the national pastime.

cubs spring training site: *Gabby Hartnett* William F. McNeil, 2015-02-18 Gabby Harnett is believed by many to be the greatest catcher of all time. His childhood, early baseball experiences with the local team and with a nearby prep school, and his first professional baseball season with the Worcester Boosters of the Eastern League are covered in detail. Hartnett's major league career as the catcher for the Cubs is well-documented, including his near career-ending arm injury in 1929, the 1932 World Series that featured Babe Ruth's legendary called shot, and Hartnett's famous homer in the gloamin against the Pittsburgh Pirates that propelled Chicago to the 1938 National League pennant. The author also compares Hartnett's statistics to those of his famous contemporaries, Mickey Cochrane and Bill Dickey, on a year-by-year

basis.

cubs spring training site: *The Major League Pennant Races of 1916* Paul G. Zinn, John G. Zinn, 2009-06-08 Baseball at its best is a combination of chess match and gladiatorial combat, waged over a long season but turning on split-second decisions and physical instincts. The 1916 season demonstrated the drama that made the sport the national pastime: tight pennant races, multiple contenders, record-breaking performances, and controversy, both on and off the field. Ten of the 16 teams battled for first place, four pitchers started and won both games of a doubleheader, Babe Ruth pitched on Opening Day, and players from the Federal League became the sport's first free agents. The book features full rosters, player biographies, statistics, photographs and an appendix of the sportswriters who chronicled the season.

cubs spring training site: Crossing the Line Larry Moffi, Jonathan Kronstadt, 1994 From 1947, when Jackie Robinson joined the Brooklyn Dodgers, through 1959, when the Boston Red Sox became the last major league team to integrate, more than a hundred African American baseball players crossed the color line and made it to the major leagues. Each of these players is profiled in this comprehensive book, which includes their statistics and capsule biographies, their triumphs and their on- and off-field trials as they integrated the game. Some of these players became superstars of the game and eventual Hall of Famers - Jackie Robinson, Ernie Banks, Hank Aaron, Roberto Clemente, Roy Campanella, and Bob Gibson - but most, fine journeymen like Frank Barnes, Willie Kirkland, Billy Bruton, and Harry Simpson, were average players. However, all were pioneers, facing down the enormous difficulties of integrating organized baseball.

cubs spring training site: *The Bilko Athletic Club* Gaylon H. White, 2014-03-06 During the

1956 baseball season in the city of Los Angeles, Mickey Mantle's pursuit of Babe Ruth's single-season home run record was matched only by the day-to-day drama of Steve Bilko's exploits in the Pacific Coast League. While Mantle was winning the Triple Crown in the American League, Bilko was doing the same in the highest of all the minor leagues with the Los Angeles Angels. He led the league hitters in eight categories, and the Angels romped to the pennant. Bilko hit one mighty home run after another to earn Minor League Player of the Year honors and inspire the team's nickname, "The Bilko Athletic Club." The Bilko Athletic Club tells the story of the 1956 Los Angeles Angels, a team of castoffs and kids built around Steve Bilko, a bulky, beer-loving basher of home runs. Author Gaylon H. White provides an intimate portrait of life in minor league baseball in the 1950s and gives readers a glimpse inside the heads and hearts of the players as they experience the same doubts and frustrations many face in the pursuit of a dream. The Angels' unforgettable season unfolds through stories told by the players themselves, as they racked up runs and rolled to a 107-61 won-loss record, finishing sixteen games ahead of their closest competitor. Featuring in-depth interviews with Steve Bilko and twenty-five of his '56 Angels teammates, The Bilko Athletic Club also includes several photos and is highlighted by never-before-told anecdotes. A fascinating account of a season to remember, The Bilko Athletic Club will take fans and historians of the national pastime back to the golden era of baseball.

cubs spring training site: A Game of Inches Peter Morris, 2006-03-23 As befits a game traditionally passed from one generation to the next, baseball has always had a special reverence for origins. Claims of being first with any element of the game are disputed with fervor and passion. When the octogenarian Fred Goldsmith died in 1939, a headline proclaimed, 'Goldsmith Dies Insisting He Invented Curve Ball'; Fred Goldsmith understood the secret of immortality. Yet while countless thousands of words have been spilled on the subject of baseball "firsts," there has been no definitive source for the settlement of disputes. Peter Morris's endlessly fascinating A Game of Inches has now arrived to fill the void. Impeccably researched and engagingly written, this treasure trove will surprise, delight, and educate even the most knowledgeable fan by dispelling cherished myths and revealing the source of many of baseball's features that we now take for granted. The scope of A Game of Inches is encyclopedic, with nearly a thousand entries that illuminate the origins of items ranging from catchers' masks to hook slides to intentional walks to cork-center baseballs. But this is much more than just a reference guide. Award-winning author Peter Morris explains the context that led each new item to emerge when it did, and chronicles the often surprising responses to these innovations. Of few books can it genuinely be said that once you start reading, it's hard to put it down-but A Game of Inches is one of them. It belongs in the pantheon of great baseball books, and will give any reader a deeper appreciation of why baseball matters so much to Americans. (A companion volume, A Game of Inches: The Game Behind the Scenes, was published in the fall of 2006.)

cubs spring training site: Mr. Wrigley's Ball Club Roberts Ehr Gott, 2013-04-01 Chicago in the Roaring Twenties was a city of immigrants, mobsters, and flappers with one shared passion: the Chicago Cubs. In this Jazz Age center, the maverick Wrigley exploited the revolutionary technology of broadcasting and attracted eager throngs of women to his renovated ballpark. Mr. Wrigley's Ball Club transports us to this heady era of baseball history and

introduces the team at its crazy heart—an amalgam of rakes, pranksters, schemers, and choirboys who take center stage in memorable successes and disasters. Readers take front-row seats to meet one Hall of Famer after another—Grover Cleveland Alexander, Rogers Hornsby, Joe McCarthy, Lewis “Hack” Wilson, Gabby Hartnett. The cast of characters also includes their colorful if less-sung teammates and the Cubs’ nemesis, Babe Ruth, who terminates the ambitions of Mr. Wrigley’s ball club with one emphatic swing.
