cubs spring training trips: The Unforgettable Season Gordon H. Fleming, 2006-03-01 One of Sports Illustrated's top 100 sports books of all-time The 1908 National League pennant race was without question the most exciting and dramatic battle of all time. Three teams, the Giants, the Cubs, and the Pirates, battled from start to finish, concluding the season with just one game separating them in the standings. The story of this race is like a Hall of Fame sprung to life, including John McGraw, Christy Mathewson, Tinker-to-Evers-to-Chance, Mordecai "Three Finger" Brown, and Honus Wagner. Yet the one name that truly stands out belongs to a young Giant rookie, Fred Merkle. His base-running blunder in a key game between the Giants and the Cubs cost the New Yorkers the pennant through an entirely unforeseeable set of circumstances that set off a near-riot in New York. More than mere history, The Unforgettable Season uses a judicious selection of newspaper stories to recreate the unforgettable season through the eyes and florid language of sportswriters of the day. With no film, TV, or radio accounts of the game to cloud readers' minds with facts, the newspaper writers had free reign to invent and embellish the larger-than-life figures and events of 1908. It is their efforts that make this book often unintentionally hilarious and unforgettable.

cubs spring training trips: Brooklyn Dodgers in Cuba Jim Vitti, 2011-03-28 The Brooklyn Dodgers held spring training in Havana in 1947 so Jackie Robinson could practice safely. Yet that was hardly the beginning: the Bums played in Cuba over 60 seasons, from 1900 to 1959. Ballplayers drank hard with Hemingway. Some found themselves in Cuban jails. Pitcher Van Lingle Mungo, barricaded in the Hotel Nacional with two women, fended off an angry husband (and his machete). Leo Durocher got into a brawl with an umpire, after Lippys translator correctly cursed him in Spanish. Vin Scully watched machine gunning enter the room. An outfielder leaped into the stands, with a loaded gun, to chase a fan. Several players encountered Castro, who once walked onto the field in his fatigues, patted his pistol, and said to Lefty Locklin, Tonight, we win.

In this Jazz Age center, the maverick Wrigley exploited the revolutionary technology of broadcasting to attract eager throngs of women to his renovated ballpark. *Mr. Wrigley's Ball Club* transports us to this heady era of baseball history and introduces the team at its crazy heart—an amalgam of rakes, pranksters, schemers, and choirboys who take center stage in memorable successes, equally memorable disasters, and shadowy intrigue. Readers take front-row seats to meet Grover Cleveland Alexander, Rogers Hornsby, Joe McCarthy, Lewis "Hack" Wilson, Gabby Hartnett. cubs spring training trips: *Windy City World Series I: 1906, White Sox-Cubs* Richard Chabowski, 2012-06-07 The year 1906 holds special significance for the city of Chicago for a number of reasons, but probably nothing generated as much excitement as the all-Chicago World Series that pitted the White Sox against the Cubs. Upton Sinclair had just written *The Jungle*, which revealed the inner workings of the city's slaughterhouses. There was also a new central city and county government building rising in the Loop. In considerations of that year, however, it is the city's two baseball teams that probably generate the most attention. More than one hundred years have passed, and we still haven't seen a repeat of the all-Chicago World Series. This history examines the bold moves made by ballclub owners and managers, and puts the significance of baseball in context with this detailed account of the events of 1906. It also introduces Charles Comiskey before the Black Sox scandal as well as Charles Murphy, the feisty, lively owner of the Cubs. The entire season is relived in *Windy City World Series I: 1906, White Sox-Cubs*.
