frozen movie trivia questions: On Wings of Infinity Linda C. Smith, 2023-02-06 Infinity. It's something that never ends. There is no way to begin to imagine what that really means, but the Holy Spirit is infinite. On Wings of Infinity tells how by the leading of the Holy Spirit, I was able to experience the hand of God moving in my life and in my sons' lives in a mighty way. It is about the all-seeing and all-knowing God who hears you when you pray. It's about times when he created miracles for each one of my sons, individually, that saved their lives. Each incident brought me closer and closer to the realization that God really does care about everything in my life. Sometimes people think that knowing the God who created the universe would be impossible. But it is not. Actually, it is very simple. This is what I believe. You can spend your whole life, even as a child of God, never really understanding or knowing the voice of God. But, as a child of God, his spirit lives in you. And you can learn to know when he is speaking to you. You can really become aware that God wants to speak to you, to help you. He never forces himself on you. You have to desire, to want to hear him. The first part of James 4:8 (KJV) says, Draw nigh to God, and he will draw nigh to you. When you begin to have moments of knowing that it is the Holy Spirit of God speaking to you, it becomes so precious. In this book, I will tell you of times that I learned how much I needed God to help me and the ways that he did. Most of them are complete miracles.
