describe actions or communications conducted with confidentiality. Understanding the literal and figurative meanings can provide critical insight when encountering this clue in a puzzle. Crossword clues that use "in confidence" may suggest words related to secrecy, privacy, or exclusive communication. Recognizing the subtle nuances in the clue can help solvers determine the appropriate answer by considering the context and length of the word required.

Literal and Figurative Interpretations

Literally, "in confidence" means something done in a private or secret manner. Figuratively, it can imply trustworthiness or a confidential relationship. in confidence crossword clue: The Day My Soul Cried Out Ruben White, 2023-01-19
When I started realizing I can't walk through life in disbelief. That was when I realize there's a component to life called faith. I asked myself, where does my trust lie? The Bible tells us in Psalm 121, I lift my eyes to the hills. From where does my help come? 2 My help comes from the Lord, who made heaven and earth. 3 He will not let your foot be moved; he who keeps you will not slumber. The Day My Soul Cried Out. Consist of powerful affirmations and inspirational passages. I have written that has helped me through the hardest times of my life. Knowing that only in 2016, at the age of 50, I was diagnosed with dementia and the deadliest form. I wasn't expected to survive. But I was blessed with God's grace. Now as a prolific writer, I can share. Words of inspiration that I embraced through my deepest meditations.
