

medicine jar paul mccartney

medicine jar paul mccartney is a phrase that piques the curiosity of Beatles fans and collectors alike, referring to a unique artifact connected to the legendary musician Sir Paul McCartney. This intriguing item, often discussed in collector circles and music memorabilia communities, represents a fascinating intersection between music history and vintage collectible culture. Understanding the significance of the medicine jar associated with Paul McCartney requires delving into its origins, historical context, and the reasons behind its value. This article comprehensively explores the story behind the medicine jar paul mccartney, highlighting its provenance, physical characteristics, and relevance in the broader context of music memorabilia. Additionally, it will cover how such collectibles influence fan culture and the market for Beatles-related artifacts. The following sections provide a structured overview of the topic to guide readers through the key aspects of this unique collectible.

- Origin and Historical Context of the Medicine Jar
- Physical Description and Features
- Connection to Paul McCartney and The Beatles
- Significance in Music Memorabilia Collecting
- Market Value and Collectibility
- Preservation and Display Tips

Origin and Historical Context of the Medicine Jar

The medicine jar paul mccartney is believed to have origins dating back to the early to mid-20th century, a period rich with both musical innovation and distinctive packaging design. Medicine jars from this era often featured unique artwork and branding that now serve as nostalgic reminders of the past. This particular jar gained fame due to its association with Paul McCartney, either directly through ownership or indirectly through its appearance in Beatles-related memorabilia collections. Understanding the historical context requires examining both the pharmaceutical practices of the time and the cultural environment in which Paul McCartney rose to prominence.

Pharmaceutical Packaging in the 20th Century

During the early 1900s to mid-century, medicine jars were commonly made of glass or porcelain and designed to preserve the contents while also displaying the brand or medicine name prominently. These jars often featured embossed or printed labels, with some incorporating artistic elements that have since become collectible. The materials and

manufacturing techniques used contributed to the jars' durability and aesthetic appeal, making them attractive items for collectors today.

Paul McCartney's Early Life and Environment

Paul McCartney, born in 1942 in Liverpool, England, grew up in a time when such medicine jars were commonplace in households. It is within this environment that the connection between McCartney and the medicine jar paul mccartney likely originated, either as a personal item or as a symbolic representation used in memorabilia. The cultural and social backdrop of post-war Britain, combined with the rise of The Beatles in the 1960s, adds layers of significance to artifacts linked to McCartney's formative years.

Physical Description and Features

The medicine jar paul mccartney is characterized by its distinctive design elements, materials, and markings that make it recognizable and collectible. Detailed descriptions are essential for verifying authenticity and understanding the jar's unique qualities. Collectors often focus on several key features when evaluating such items.

Material Composition

Typically, the medicine jar in question is made from high-quality glass, sometimes with a porcelain or ceramic lid. The durability of these materials has helped preserve the jar over decades. The glass often has a slight tint, such as amber or clear, which was common in pharmaceutical containers to protect contents from light.

Labeling and Markings

Labels on the jar may include embossed brand names, dosage instructions, or decorative elements that reflect the era's graphic design trends. Some jars bear the name of the pharmacy or manufacturer, date stamps, or batch numbers, which are valuable clues for authentication. In the case of the medicine jar paul mccartney, any markings that link it to the musician or his family add significant interest and value.

Size and Shape

The jar generally features a compact, cylindrical shape suitable for storing pills or powders. Dimensions vary but are usually small enough to fit on a shelf or mantelpiece. The lid may screw on or be a press-fit type, often decorated or embossed for added aesthetic appeal.

Connection to Paul McCartney and The Beatles

The association of the medicine jar with Paul McCartney is a subject of interest among Beatles historians and memorabilia enthusiasts. While the exact provenance can sometimes be difficult to trace, the link to McCartney enhances the jar's cultural and monetary value. This section explores how the jar is connected to the legendary musician and his legacy.

Personal Ownership and Provenance

Some accounts suggest that the medicine jar was once owned or used by Paul McCartney or his family, making it a personal artifact. Provenance is often established through photographs, documented sales, or testimony from individuals close to McCartney. Such connections are crucial to establishing authenticity and historical significance.

Symbolism and Representation in Beatles Memorabilia

Beyond ownership, the medicine jar paul mccartney can also symbolize the era and lifestyle surrounding The Beatles during their rise to global fame. As a collectible, it represents a tangible link to the past, embodying the daily life and cultural milieu of one of music's most influential figures. Memorabilia collectors often seek items like this to complete their understanding of the band's history.

Significance in Music Memorabilia Collecting

Collecting Beatles memorabilia is a thriving hobby and investment area, with items linked to Paul McCartney often commanding high interest. The medicine jar paul mccartney fits into this category as a rare and meaningful collectible. Its significance stems from both its rarity and its connection to a global music icon.

Rarity and Uniqueness

The medicine jar is considered rare due to its specific association with Paul McCartney and the limited number of such items available. Unlike mass-produced Beatles merchandise, a personal or era-specific object like a medicine jar offers uniqueness that appeals to serious collectors.

Emotional and Historical Value

The emotional connection to The Beatles and the historical context of the 1960s amplify the jar's value. Collectors often seek artifacts that tell a story, and the medicine jar paul mccartney serves as a physical reminder of a pivotal time in music history.

Types of Beatles Memorabilia

- Instruments and equipment used by band members
- Autographed items and personal belongings
- Vintage records and promotional materials
- Unique household items linked to band members, such as the medicine jar paul mccartney

Market Value and Collectibility

The market for Beatles-related collectibles is robust, with prices varying based on rarity, condition, and provenance. The medicine jar paul mccartney, due to its unique nature, holds a special place in this market. Understanding its value requires examining recent sales, auction results, and expert appraisals.

Factors Influencing Value

The value of the medicine jar paul mccartney depends on several criteria:

- Authenticity and documented provenance
- Condition and originality of the jar
- Historical significance and cultural relevance
- Demand within the collector community

Examples of Sales and Auctions

Occasionally, medicine jars and similar artifacts linked to The Beatles appear in auctions, often attracting competitive bidding. Such sales provide valuable data on market trends and help establish a benchmark for future valuations. Collectors and dealers monitor these events closely to gauge interest and pricing.

Preservation and Display Tips

Proper care is essential for preserving the condition and value of the medicine jar paul mccartney. Collectors should follow best practices for handling, storage, and display to

ensure longevity and maintain aesthetic appeal.

Handling and Cleaning

Handling the jar with clean hands or gloves prevents oils and dirt from damaging the surface. Cleaning should be done gently using appropriate materials to avoid scratches or label damage. Avoid harsh chemicals that could degrade the glass or labels.

Storage Conditions

Optimal storage conditions include a stable environment with controlled temperature and humidity. Exposure to direct sunlight should be minimized to prevent fading or deterioration of labels and materials. Storing the jar in a display case can offer protection from dust and accidental damage.

Display Ideas

Displaying the medicine jar paul mccartney can be enhanced by using proper stands or cases that highlight its features while protecting it. Lighting should be soft and indirect to prevent glare and preserve the jar's appearance. Grouping it with other Beatles memorabilia can create a compelling visual narrative.

Frequently Asked Questions

What is the 'Medicine Jar' song by Paul McCartney?

'Medicine Jar' is a track by Paul McCartney and Wings from their 1973 album 'Band on the Run.' It is known for its rock style and features lead vocals by Wings guitarist Denny Laine.

Who wrote the song 'Medicine Jar' by Paul McCartney?

The song 'Medicine Jar' was written by Denny Laine, a member of Wings, although it appears on the Paul McCartney and Wings album 'Band on the Run.'

Why is 'Medicine Jar' significant in Paul McCartney's discography?

'Medicine Jar' stands out because it features Denny Laine on lead vocals rather than Paul McCartney, highlighting the collaborative nature of Wings and showcasing Laine's songwriting and vocal talents.

Has Paul McCartney ever performed 'Medicine Jar' live?

There are no widely known live performances of 'Medicine Jar' by Paul McCartney; the song remains more of a cult favorite among Wings fans and is less frequently performed compared to other tracks from 'Band on the Run.'

What is the theme or meaning behind the song 'Medicine Jar'?

'Medicine Jar' is interpreted as a commentary on addiction and the dangers of relying on substances, with metaphorical lyrics reflecting on the struggles of dependency and escape.

Who played the instruments on the recording of 'Medicine Jar'?

The recording of 'Medicine Jar' featured Paul McCartney on bass and keyboards, Denny Laine on guitar and vocals, and other Wings members contributing drums and additional instrumentation.

Is 'Medicine Jar' available on any of Paul McCartney's compilation albums?

'Medicine Jar' is primarily available on the original 'Band on the Run' album and its reissues, but it is not commonly featured on Paul McCartney's greatest hits or compilation albums.

What was the critical reception of 'Medicine Jar' when it was released?

Critics generally praised 'Medicine Jar' for its raw rock energy and Denny Laine's vocal performance, although it was considered a deeper cut compared to the more popular singles from 'Band on the Run.'

Are there any notable covers or samples of 'Medicine Jar' by other artists?

There are no widely recognized covers or samples of 'Medicine Jar,' making it a unique and original piece within the Wings catalog that remains closely associated with the band.

medicine jar paul mccartney: *The Words and Music of Paul McCartney* Vincent P. Benitez Jr., 2010-03-23 This examination of the solo music of Paul McCartney, from 1970-2007, offers an analysis of his songs, recordings, and his impact on popular music. *The Words and Music of Paul McCartney: The Solo Years* examines the large and varied oeuvre of this deeply personal artist, showing how McCartney's stint as a Beatle continues to inform his solo music, as well as how he has transcended his days as a member of the Fab Four. After a biographical introduction, chronologically arranged chapters explore McCartney's music in the immediate aftermath of the breakup of the Beatles, his work with Wings during the 1970s, his collaborations with other artists during the 1980s, and his compositions of the 1990s, including his first forays into classical music. The examination also covers McCartney's critically acclaimed work in the first decade of the 21st century, including *Memory Almost Full* and *Ecce Cor Meum*, a composition written in the style of sacred English choral music. Throughout, the book supplies analytical insights and historical background to a repertoire that, surprisingly, has not previously been covered in detail.

medicine jar paul mccartney: *The Paul McCartney Catalog* Ted Montgomery, 2020-01-31 This complete discography of Paul McCartney's solo and other post-Beatles work examines his entire catalog. It covers his studio and live albums and compilations, including the trance, electronic, classical and cover albums and selected bootleg recordings; all of the singles; videos and DVDs; and the 15 radio shows he made as Oobu Joobu. Each song is reviewed in depth, providing a wealth of information for both dedicated McCartney fans and those just discovering his music.

medicine jar paul mccartney: *The Day the Music Died* Les MacDonald, 2010-07-08 Behind the roaring crowds and the billion-dollar record deals are tales of solitude, anger, and depression. Readers are about to unearth these stories as author Les MacDonald brings nostalgia to every bookshelf with *The Day the Music Died*, his newly released book published through Xlibris. *The Day the Music Died* is a well-researched documentation of the different true stories of the persons whose names are forever etched in the history of music. Throughout, readers will get an intimate look into the deaths of Wolfgang Amadeus Mozart, Elvis Presley, Brian Jones, Bob Marley, John Lennon, George Harrison, Tupac Shakur, Nirvana's Kurt Cobain, Selena, Michael Jackson, and many more. As each of these artists permanently faded from the limelight, a new testimonial will be created to prove that their music lives on. While some of our favorites may have lost their way at some point during their lifetimes, we must remember that there is one thing that the passage of time cannot erase . . . and that, my friends, is the music! shares the author.

medicine jar paul mccartney: *Paul McCartney* Peter Ames Carlin, 2009-11-03 From the acclaimed biographer who brought you the rock biography of Bruce Springsteen comes the life of musician Paul McCartney—from his groundbreaking years with the Beatles to Wings to his work as a solo artist and activist. More than a rock star, more than a celebrity, Paul McCartney is a cultural touchstone who helped transform popular music as one half of the legendary Lennon-McCartney songwriting duo. In this definitive biography, Peter Ames Carlin examines McCartney's entire life, casting new light not just on the Beatles era but also on his years with Wings and his thirty-year relationship with his first wife, Linda McCartney. He takes us on a journey through a tumultuous couple of decades in which Paul struck out on his own as a solo artist, reached the top of the charts with a new band, and once again drew hundreds of thousands of screaming fans to his concerts. Carlin presents McCartney as a musical visionary but also as a layered and conflicted figure as

haunted by his own legacy—and particularly his relationship with John Lennon—as he was inspired by it. Built on years of research and fresh, revealing interviews with friends, bandmates, and collaborators spanning McCartney's entire life, Carlin's lively biography captures the many faces of the living legend.

medicine jar paul mccartney: Mark Arnold Picks on the Beatles Mark Arnold, 2011-03-19 It's Comic Book and Animation Historian Mark Arnold's reviews on every song ever recorded by The Beatles, group and solo, released and unreleased. Don't like my reviews? Then, write your own book.

medicine jar paul mccartney: Paul McCartney Philip Norman, 2016-05-03 The definitive Paul McCartney biography, written with his approval by bestselling biographer Philip Norman. Since the age of twenty-one, Paul McCartney has lived one of the ultimate rock-n-roll lives played out on the most public of stages. Now, Paul's story is told by rock music's foremost biographer, with McCartney's consent and access to family members and close friends who have never spoken on the record before. Paul McCartney reveals the complex character behind the façade and sheds new light on his childhood -- blighted by his mother's death but redeemed by the father who introduced him to music. This is the first definitive account of Paul's often troubled partnership with John Lennon, his personal trauma after the Beatles' breakup, and his subsequent struggle to get back to the top with Wings -- which nearly got him murdered in Africa and brought him nine days in a Tokyo jail. Readers will learn about his marriage to Linda, including their much-criticized musical collaboration, and a moving account of her death. Packed with new information and critical insights, Paul McCartney will be the definitive biography of a musical legend.

medicine jar paul mccartney: Fab Howard Sounes, 2010-10-26 He is one of the most famous, most wealthy people on the planet, and yet he remains little-known and understood as a personality. At long last, Paul McCartney is the subject of a major, deeply researched, psychologically acute biography. It tells a story that will illuminate and surprise. The publication finds McCartney - who turns 70 in 2012 - revitalized as a performer (touring with a set of mostly Beatles songs) and a man buffeted by profound changes in recent years: the death of his first wife, Linda; the death of George Harrison; a second marriage, to Heather Mills, and its spectacular failure, the fall-out from which is still crashing around him.

medicine jar paul mccartney: 33 1/3 Revolutions Per Minute Mike Segretto, 2022-07-15 Whether you're a lifelong collector or have only just gotten hip to the vinyl revival, navigating the vast landscape of rock albums can be a daunting prospect. Enter Mike Segretto and his mammoth 33 1/3 Revolutions Per Minute, a history of the rock LP era told through a very personal selection of nearly 700 albums. Beginning with the birth of rock and roll in the 1950s, Segretto moves through the explosive innovations of the 1960s, the classic rock and punk albums of the 1970s, the new wave classics of the 1980s, and the alternative revolution of the 1990s, always with an eye to both the iconic and the ephemeral, the failed experiments and the brilliant trailblazers. It's all here: everything from the classics (Sgt. Pepper's Lonely Hearts Club Band, Purple Rain, Nevermind, and countless other usual suspects) to such oddities as albums by Johnny Guitar Watson, P. P. Arnold, The Dentists, and Holly Golightly. Throughout, Segretto reveals the perpetual evolution of a modern art form, tracing the rock album's journey from a vehicle for singles and filler sold to kids, through its maturation into a legitimate, self-contained medium of expression by 1967, and onward to its dominance in the '70s, '80s, and '90s. Whether you read it from cover to cover, seek out specific albums, or just dip in at random and let the needle fall where it may, 33 1/3 Revolutions Per Minute is a fun, informative, and unapologetically opinionated read.

medicine jar paul mccartney: Paul McCartney Paul McCartney, 2021-11-05 UMA OBRA DEFINITIVA PARA A HISTÓRIA DA MÚSICA O registro literário e visual definitivo de um dos maiores músicos de todos os tempos em uma edição de luxo incomparável. Nestes dois livros em capa dura, são apresentadas 154 letras de canções de Paul McCartney, com comentários autobiográficos e artísticos que abrangem toda a sua carreira, feitos pelo próprio ex-Beatle. Um panorama completo da obra desse grande artista, desde sua adolescência até a atualidade, apresentado como um verdadeiro objeto de colecionador: um box com dois volumes e quase 1 mil

páginas, em papel especial, integralmente em cores, contendo mais de 600 itens do arquivo pessoal de Paul, incluindo fotografias, manuscritos e anotações musicais, muitos dos quais nunca vieram a público. Cada canção revela uma faceta de Paul McCartney: a parceria com John Lennon, as presenças marcantes de Linda Eastman e Nancy Shevell, suas inspirações literárias e as pessoas e fatos do cotidiano que influenciaram seu processo criativo. Organizadas em ordem alfabética, as letras oferecem uma visão caleidoscópica da vida e obra de Paul, onde podemos vislumbrar sua relação com os pais e professores da escola, o encontro com os outros Beatles para uma jornada de dez anos que marcou a música para sempre e suas experimentações artísticas, que transcendem a era do quarteto de Liverpool. Paul McCartney se revela com verdadeira sinceridade a respeito de seu processo criativo, mostrando-se um artista obstinado em não se repetir, que busca recriar-se ao longo das últimas seis décadas. Foi assim que Paul não apenas foi influenciado por seu tempo, mas também se tornou um artista que definiu uma era. *The Lyrics* é um panorama sem precedentes do processo criativo de um artista ímpar, que transformou a história da música.

medicine jar paul mccartney: *The Lyrics* Paul McCartney, 2021-11-02 #1 NEW YORK TIMES BESTSELLER A Washington Post Notable Book Excerpted in The New Yorker A work of unparalleled candor and splendorous beauty, *The Lyrics* celebrates the creative life and the musical genius of Paul McCartney through 154 of his most meaningful songs. From his early Liverpool days, through the historic decade of The Beatles, to Wings and his long solo career, *The Lyrics* pairs the definitive texts of 154 Paul McCartney songs with first-person commentaries on his life and music. Spanning two alphabetically arranged volumes, these commentaries reveal how the songs came to be and the people who inspired them: his devoted parents, Mary and Jim; his songwriting partner, John Lennon; his “Golden Earth Girl,” Linda Eastman; his wife, Nancy McCartney; and even Queen Elizabeth, among many others. Here are the origins of “Let It Be,” “Lovely Rita,” “Yesterday,” and “Mull of Kintyre,” as well as McCartney’s literary influences, including Shakespeare, Lewis Carroll, and Alan Durband, his high-school English teacher. With images from McCartney’s personal archives—handwritten texts, paintings, and photographs, hundreds previously unseen—*The Lyrics*, spanning sixty-four years, becomes the definitive literary and visual record of one of the greatest songwriters of all time.

medicine jar paul mccartney: *Man on the Run* Tom Doyle, 2014-06-17 An illuminating look at the most tumultuous decade in the life of a rock icon—the only McCartney biography in decades based on firsthand interviews with the ex-Beatle himself. As the 1970s began, the Beatles ended, leaving Paul McCartney to face the new decade with only his wife Linda by his side. Holed up at his farmhouse in Scotland, he sank into a deep depression. To outsiders, McCartney seemed like a man adrift—intimidated by his own fame, paralyzed by the choices that lay before him, cut loose from his musical moorings. But what appeared to be the sad finale of a glorious career was just the start of a remarkable second act. The product of a long series of one-on-one interviews between McCartney and Scottish rock journalist Tom Doyle, *Man on the Run* chronicles Paul McCartney’s decadelong effort to escape the shadow of his past, outrace his critics, and defy the expectations of his fans. From the bitter and painful breakup of the Beatles to the sobering wake-up call of John Lennon’s murder, this is a deeply revealing look at a sometimes frightening, often exhilarating period in the life of the world’s most famous rock star. Sensing that he had nowhere to go but up, Paul McCartney started over from scratch. With emotional—and musical—backing from Linda, he released eccentric solo albums and embarked on a nomadic hippie lifestyle. He formed a new band, Wings, which first took flight on a ramshackle tour of British university towns and eventually returned Paul to the summit of arena rock superstardom. In *Man on the Run*, Doyle follows McCartney inside the recording sessions for Wings’ classic album *Band on the Run*—and provides context for some of the baffling misfires in his discography. Doyle tracks the dizzying highs and exasperating lows of a life lived in the public spotlight: the richly excessive world tours, the Japanese drug bust that nearly ended McCartney’s career, his bitter public feuds with his erstwhile Beatle bandmates, and the aftermath of an infamous drug-and-alcohol-fueled jam session where McCartney helped reconcile the estranged John Lennon and Yoko Ono. For Paul McCartney, the 1970s were a wild ride with some

dark turns. Set against the backdrop of a turbulent decade, *Man on the Run* casts the “sunny Beatle” in an entirely new light. Praise for *Man on the Run* “‘Tom Doyle’s detailed chronicle, which includes rare interviews with McCartney and former Wings members, portrays a band that was far more contentious than eager-to-please hits like 1976’s ‘Let ‘Em In’ had us believe, fronted by a legend who wanted to be both boss and buddy. The book is larded with tales of Seventies rock-star excess, Paul and Linda’s love of weed, docked paychecks, and grouching musicians.’”—Rolling Stone “Well-researched but still breezy and engaging, the book offers a comprehensive tour of the shaggy, bleary-eyed decade when the hardest-working ex-Beatle reached the zenith of his creative and commercial success. . . . *Man on the Run* makes an excellent contribution to the burgeoning literature devoted to McCartney’s post-Beatles career.”—The Boston Globe “In the 1970s, a depressed, heavy-drinking Paul McCartney walked away from The Beatles and reinvented himself as the leader of another hitmaking rock ‘n’ roll band. A new book by longtime Q magazine contributing editor Tom Doyle about that turbulent period in the legendary rock star’s life, *Man on the Run*, catches him in mid-flight.”—Billboard

medicine jar paul mccartney: Paul McCartney Jorie B. Gracen, 2003 Filled with more than 200 exclusive photos, this revealing behind-the-scenes glimpse into the public and private persona of one of the greatest musician-singer-songwriters of all time is now available in paperback. 210 photos, 170 in color.

medicine jar paul mccartney: Playgirl , 1975-06

medicine jar paul mccartney: The Beatles Encyclopedia Kenneth Womack, 2014-06-30 A fascinating look at the history of the Beatles, from their formative years through the present day, as detailed in hundreds of entries chock-full of information never before shared with the public. The Beatles have sold at least 2.3 billion albums; achieved 6 Diamond, 24 Multi-Platinum, 39 Platinum, and 45 Gold albums in the United States alone; and continue to experience impressive commercial success—now more than at any other time. What is it about this iconic group which continues to draw attention from each successive generation, even more than 40 years after their disbandment? *The Beatles Encyclopedia: Everything Fab Four* provides casual fans and aficionados alike with a comprehensive study of the historical, cultural, and musical influence of the Beatles, providing hundreds of insightful entries that address the people, places, events, and other details that have contributed to the band's status as a global phenomena.

medicine jar paul mccartney: That Was Me Richard D. Driver, 2023-07-24 Paul McCartney has lived an extraordinary life in popular music and popular culture. His careers as a Beatle, as a solo musician and band leader in Wings, and in areas outside music have varied tremendously and are well-documented. *That Was Me* explores the impact of Paul McCartney as a musician outside the Beatles, identifying the continued excitement in generations of fans and listeners, and his perennial efforts to perform and record music. Richard Driver argues that his solo career is multi-faceted and extremely diverse, ranging from breaking sharply with the style and output of the Beatles to experimenting in orchestral and operatic music and returning to music designed to emulate and reproduce the style, success, and popularity of the Beatles. Through McCartney we can literally and symbolically view and revisit the popular music phenomenon that was the Beatles, and popular music from the 1950s to today.

medicine jar paul mccartney: The Beatles: Having Read the Book Greg Sterlace, 2015-07-26 The cottage industry of Beatles publications is more prolific now than it ever was. As the band recedes into the mystic fog of 20th century history we get more and more documentation about their music, their love lives, their personalities, and their finances. I wanted to try to make sense of it by reviewing the best and the worst of the Beatles tomes as they stand side by side in bookstores everywhere. I spent 40 years reading about them knowing that one day I would share my accumulated knowledge with the fans in Pepperland. Having read the book, I'd love to turn you on.

medicine jar paul mccartney: McCartney Solo: See You Next Time Mark Bowen, 2009-09-06 'See You Next Time: McCartney Solo' tells the story of the post-Beatles career of one of the biggest names in pop music. In a track-by-track analysis Mark Bowen takes a detailed look at the

Wings and solo years through to the latest Fireman release. Although the beginnings of Wings were somewhat shambolic, by the mid-1970s Paul had maintained his position as a global superstar. Often chastised for his overt commerciality, his less familiar and experimental output is also examined. Even in the twilight of his career Paul has found new creative avenues to explore and his ability as a songwriter remains as strong as ever. Mark Bowen is a professional journalist and life-long Beatles fan.

medicine jar paul mccartney: Come Together: Lennon and McCartney in the Seventies
Richard White, 2016-06-30

medicine jar paul mccartney: The Beatles Solo on Apple Records, 2005 The Beatles Solo on Apple Records is the companion piece to Bruce Spiziers critically acclaimed The Beatles on Apple Records. This book details the solo records released by John, Paul, George and Ringo on their own Apple label in America, starting with the December, 1968, release of George's *Wonderwall* Music album and ending with the December, 1975, release of George's single *This Guitar (Can't Keep From Crying)*. All solo projects are covered, including all of the albums and singles released by John & Yoko and Paul McCartney & Wings, as well as classic albums such as *Imagine*, *Band On The Run*, *All Things Must Pass* and *Ringo*. The book provides complete session and chart information and shows all picture sleeves, album covers and label variations, along with many of the promotional posters, displays and trade magazine ads. The book is hard cover and printed on heavy weight glossy paper. It has over 900 images (all in full color or original black & white) spread throughout the book's 358 pages.

medicine jar paul mccartney: Band on the Run Garry McGee, 2003-03-11 After the breakup of the Beatles in 1971, Paul McCartney formed Wings with his wife Linda on keyboards, ex-Moody Blues guitarist Denny Laine, and American session drummer Denny Seiwell. For ten dramatic and turbulent years, the band weathered the critics, endured pot busts, survived a harrowing recording stint in Nigeria, changed drummers constantly, and produced a great deal of remarkable music. McGee's tale of one of the most successful bands of the seventies—the first book to focus exclusively on Paul's post-Beatles years—tells the stories behind the #1 hits *Listen To What the Man Said*, *My Love*, *Band on the Run*, *Jet*, *With a Little Luck*, and *Coming Up*. McGee reveals the band's inner dynamics and its relationship with the press and public, examining Paul's determination to pursue a new sound, the criticisms Linda initially got from fans and bandmates, and the character conflicts that kept the lineup changing. Appendices include interviews with former Wings guitarist Henry McCullough, a complete discography, a list of singles with Paul's comments on each, and rankings from the sales charts. *Band on the Run* also includes a trove of rare Wings promotional material—album covers, posters, ads, and candid photos of the band on tour.
