Read on your PC, Mac, smart phone, tablet or Kindle device. The word Zen is one of the most popular words used to refer to a state of being at peace or being chill in the midst of many things that are going on in life. It's also one of the most misunderstood ones. Zen may be formally defined a type school or branch of Japanese meditation called Mahayana Buddhism, which highlights the importance of intuition and meditation. This book is about renewing your mind on a daily basis simply by meditating on one quote a day for the next 365 days - or one whole year. By meditating upon these quotes everyday, you can gradually change the way you think about life in general and about certain important things in particular. And when you change the way you think about life, you change the way you feel about it. Only then can inner peace and happiness come to you. I have presented these quotes to you in 4 different stages, which I believe is important for helping you experience deep and lasting inner peace and happiness. These stages are mindfulness, acceptance, peace of mind, and happiness. Each stage has enough daily quotes to meditate and reflect on for 1 quarter or 3 months. The very first step towards changing your mind is to first be mindful of yourself and the world around you. Then you'll be able to start accepting life for what it is, which is key towards achieving the last 2 stages: inner peace and happiness. Your ability to experience inner peace is dependent on how much you're able to accept yourself and the things around you, and the ability to be truly happy is dependent on how at peace you are. If you're ready to start changing your mind, let's get into the art of Zen by meditating on quote daily starting...now! Download your copy today! What are you waiting for? meditation quotes for inner peace: *Living the Prayer of Jesus* Stephanie Rutt, 2019-11-18 This little book with a big message will completely transform your understanding of what Jesus meant when he answered the request, Lord, teach us to pray. He answered by reciting what we now have come to know as the Lord's Prayer, in the common language of his day, Aramaic. Within these short pages, you will journey back to hear the original words for yourself and, in doing so, will receive the true essence of Jesus' message regarding how we should pray. You will receive the expanded meanings and reach new depths in understanding. But, rest assured, this is only the beginning! For just as the early disciples discovered, reciting the prayer in Aramaic ignites a spark--a spark that awakens a remembrance of our innate divinity as children of the living God. And as this remembrance begins to resound in the silent chambers of the heart, the prayer begins to inform every aspect of daily life. Nothing is the same. We have been set afire by love everlasting and left undone, and can only release our own, involuntary, ecstatic cry. This is what it means to pray!
