prayer for good luck on test: *The Unlikely Yarn of the Dragon Lady* Sharon J. Mondragón, 2021-09-21 A knitting group's change of scenery changes lives in unexpected ways Margaret, Rose, Jane, and Fran had a good thing going: meet every week in the quiet of their peaceful chapel and knit prayer shawls. No muss, just ministry. That is, until their pastor boots them out of the church in

his last-ditch effort to revive the dwindling congregation. Uptight Margaret isn't having it. Knitting prayer shawls where people can watch is the most ridiculous idea she's ever heard of, and she's heard plenty. Prayer belongs in the church, not out among the heathen masses. How are they supposed to knit holiness into these shawls if they're constantly distracted by the public? But with no choice, the others embrace the challenge. They pack their knitting bags and drag Margaret—grumbling the whole way—to the mall with them. She can't wait to prove them all wrong when it fails miserably, and show the pastor that she always knows best. Without the familiar mold the group has been stuck in, their own losses, pain, and struggles rise to the surface. And the people and situations they encounter every time they try to sit quietly and knit are taking them a lot further out of their comfort zone than they ever imagined. Can they find the courage to tackle the increasing number of knotty issues they learn about in the community--or will the tangle be too much to unravel? Sharon J. Mondragon's debut is warm and delightful, full of real laughter, grief, and personality. It beautifully illustrates the power of women across generations to reach people for Christ

prayer for good luck on test: The Benedictine Way Wulstan Mork, 2022-09-26 The

Benedictine Way is a mentality, an attitude characteristic of the monastic life. It consists of certain elements that are essential to the life: continual prayer, lectio divina, community life, the opus Dei, work, separation from the world, and the specifically Benedictine vows of obedience, stability and conversatio morum. These elements are necessary means for monks and nuns on their road to union with God. While the book was intended originally as a basis for the formation of novices and juniors in monasteries, it also provides material for renewal and re-formation for older monks and nuns. It can also be used by Benedictine oblates or by any lay Christian who is hungering for prayer and wants instruction on how to pray. Benedictine prayer is simple and direct, and anyone who wants to return to the sources of Christian spirituality will easily appreciate The Benedictine Way. —From the Introduction

prayer for good luck on test: **The Fighting Captain** Alan Burn, 2006-07-30 A riveting account of the World War II naval career of the man who did more to win the Battle of the Atlantic than any other officer at sea. Captain F. J. Walker, RN, dedicated his life to defeating the Germans—and Karl Dönitz, Führer der U-Boote, in particular—by containing the U-boats, wearing them down, and sending them back to their bunkers. He was a formidable figure and one of the greatest fighting captains in the Royal Navy, sinking twenty U-boats. For this he was awarded a CB and four DSOs. A month after D-Day, exhausted by his continuous actions at sea against the enemy and his successful exertions to keep the U-boats out of the English Channel to ensure the safe passage of the Allied landings at D-day, he went ashore in Liverpool after a patrol. His ships and the men he had trained and inspired were already back at sea when he died on the 9 July, 1944, aged 48. His ships went on to sink another nine U-boats, bringing his flotillas' total up to twenty-nine, before the U-boat fleet finally surrendered. Fifteen of which were sunk by Walker's own ship, HMS Starling.
