prayers for financial help: How to Pray and Receive Financial Miracles Katie Armstrong, 2016-10-27 Pray Like This and You Will Have Financial Miracles Sometime ago, I found myself in a dire financial fix. I prayed several nights and asked God to show me the way out. While doing that I found out in scriptures that we can actually pray for money. Money is part of our needs that God does supply. prayers for financial help: Into the Mist Kathleen Beard, 2011-03-04 This personal, intimate journey weaves the theme and experience of walking through the maze, confusion and intense emotional pain of watching someone you love disappearing into a mist of dementia. Kathleen examines the emotional, physical and spiritual battle that rages while juggling the very practical and mundane duties of facing a health crisis. Added to this, for a believer in Jesus Christ, are the throes of faith-challenging issues which inevitably surface. This book probes the devastation of watching her strong, loving and very funny husband morph into a diminished soul, whose personality has disappeared, but who insists that he is fine, leaving her to deal with the myriads of broken pieces of their lives and the ongoing grieving process which has no end in sight.. Told in a journalistic style, with writings from personal journals kept over a period of four years, Kathy relates all of the ins and outs, the ups and downs, of wading through crucial decisions both financial and health, as well as emotional decisions to trust God, who at times seems an unfamiliar friend. It follows this faith

journey through to the end result which is that no matter where God may take our lives, and no matter how the story ends, He is enough and He can be trusted and He does have a plan in mind, regardless of how murky that plan might appear in the process. prayers for financial help: Understanding Petitionary Prayer Shane Sharp, 2025-04-29 This book explores the “whats,” “whys,” and “hows” of petitionary prayer. Millions of people every single day ask God or some other supernatural being to make some outcome or event happen, whether it be to keep their children safe during a road trip, to give them the willpower to avoid succumbing to the temptation of alcohol, or to help them find a job. The chapters in this volume draw on 130 in-depth interviews conducted in the United States, including non-Christian believers. The author provides extensive documentation and analyses of believers’ experiences and beliefs regarding petitionary prayer. He explores what outcomes believers feel they can legitimately seek through petitionary prayer, how people use petitionary prayer to persuade supernatural beings to make outcomes and events happen, why they believe petitionary prayer is actually effective, and why they believe their prayers went “unanswered.” Studying prayer in general and petitionary prayer in particular is an important part of describing and understanding people’s religious lives. The book will be of interest to scholars and students of religious studies, the sociology of religion, the psychology of religion, social psychology, and symbolic interactionism.

prayers for financial help: How God Answers Prayers James Kwaku Gbanaglo, 2019-10-01 Prayer is a practice, a tool, or a key that brings the presence of God wherever. It is a place where pride is abandoned and, in the process, hope is built up high, and supplication is made to God for His forgiveness in humility, claiming dependence upon him. Prayer is the moment of making our request to God. Prayer is the exercising of faith and hope. Faith and hope are the two elements that bring about the functioning of prayer to make expected results to come to pass. Prayer is a privilege of touching the heart of the Father through his Son, Jesus Christ, our Lord and Savior. It is very important for every Christian, and without it, our lives are meaningless and difficult for us. For instance, it would be impossible to ask for things from God because prayer is a communication between humankind and God, irrespective of our religion. Nevertheless, prayer should be taken very seriously because it is the only way we can speak with God and an opportunity to spend time with God. To understand the heart of God and to even protect yourself, you need to pray. Prayer can be used to fight our spiritual battles that linger in dark places. Anyone who puts prayer into practice would know how God answers our prayers. Let me assure you, my fellow men, God answers every prayer. Psalm 17:13-15, Arise, O Lord! Stand against them, and bring them to their knees! Rescue me from the wicked with your sword! By the power of your hand, O Lord, destroy those who look to this world for their reward. But satisfy the hunger of your treasured ones. May their children have plenty, leaving an inheritance for their descendants. Because I am righteous, I will see you. When I awake, I will see you face to face and be satisfied.
