sweetheart in french language: Language in Louisiana Nathalie Dajko, Shana Walton, 2019-08-01 Contributions by Lisa Abney, Patricia Anderson, Albert Camp, Katie Carmichael, Christina Schoux Casey, Nathalie Dajko, Jeffery U. Darenbourg, Dorian Dorado, Connie Eble, Daniel W. Hieber, David Kaufman, Geoffrey Kimball, Thomas A. Klingler, Bertney Langley, Linda Langley, Shane Lief, Tamara Lindner, Judith M. Maxwell, Rafael Orozco, Allison Truitt, Shana Walton, and Robin White Louisiana is often presented as a bastion of French culture and language in an otherwise English environment. The continued presence of French in south Louisiana and the

struggle against the language's demise have given the state an aura of exoticism and at the same time have strained serious focus on that language. Historically, however, the state has always boasted a multicultural, polyglot population. From the scores of indigenous languages used at the time of European contact to the importation of African and European languages during the colonial period to the modern invasion of English and the arrival of new immigrant populations, Louisiana has had and continues to enjoy a rich linguistic palate. *Language in Louisiana: Community and Culture* brings together for the first time work by scholars and community activists, all experts on the cutting edge of research. In sixteen chapters, the authors present the state of languages and of linguistic research on topics such as indigenous language documentation and revival; variation in, attitudes toward, and educational opportunities in Louisiana's French varieties; current research on rural and urban dialects of English, both in south Louisiana and in the long-neglected northern parishes; and the struggles more recent immigrants face to use their heritage languages and deal with language-based regulations in public venues. This volume will be of value to both scholars and general readers interested in a comprehensive view of Louisiana's linguistic landscape.

sweetheart in french language: *The Mystery of Choice* Robert William Chambers, 1897

sweetheart in french language: *Till Death Do Us Part* Salvatore G. Cilella, 2020-05-07

Major General Emory Upton (1839–1881) served in all three branches of the U.S. military during the American Civil War. Lauded as a war hero, he later earned acclaim for his influence on military reforms, which lasted well beyond his lifetime. An account of Upton's life is not complete, however, without a look into his brief, yet passionate, marriage to Emily Norwood Martin (1846–1870). This edition of Emory and Emily's letters unveils the private life of a brilliant Civil War personality. It also introduces readers to the devout young woman who earned the general's fanatic devotion before her untimely death from tuberculosis. Until now, only a few of the couple's intimate letters have been published. During the years he spent editing and publishing Emory Upton's correspondence, Salvatore G. Cilella Jr. deliberately set aside the general's voluminous letters to his wife.

Unfortunately, as Cilella explains in his editorial notes, Emily's letters to Emory did not survive, but he was able to draw on the rich trove of letters Emily wrote to her mother and father while on her honeymoon and during her stays in Key West, Nassau, and Atlanta. Together, both sets of letters form a poignant narrative of the general's tender love for his new wife and her reciprocal affection as they attempted to create a normal life together despite her declining health. The life of an army wife could be grueling, and despite her declining health, Emily longed to perform the role expected of her. It was not meant to be. Unwittingly, she and Emory chose the worst places for her to recover—Key West and Nassau—where the high humidity and heat must have exacerbated her difficulty breathing. She died in Nassau, far away from her husband. Eleven years later, racked by a sinus tumor and likely still grieving from his lost love, Upton committed suicide at the age of forty-one. *Till Death Do Us Part* offers a powerful—and poignant—tale of two star-crossed lovers against the backdrop of post-Civil War America. In addition, the volume gives readers a fascinating glimpse into gender roles and marital relations in the nineteenth century.

sweetheart in french language: *The Ha-ha* David Kirby, 2003-09-01 A feature of English landscape architecture, a ha-ha is a wall at the bottom of a ditch; its purpose is to allow the presence of cows and sheep on one's lawn, but at an agreeable distance and with none of the malodorous unsightliness that proximity would bring. Similarly, *The Ha-Ha*, the latest offering from poet David Kirby, is both an exploration of the ways in which the mind invites chaos yet keeps it at a distance and an apologia for humor, reflecting Irish poet Patrick Kavanagh's observation that tragedy is merely underdeveloped comedy. Embracing wit, wide-ranging scholarship, and an equal love of travel as well as the pleasures of home, *The Ha-Ha* depicts comedy as a radical form of intelligence, a way of thinking that just happens to be noisy and rumbustious. We are staying with Barbara's

parents on Oahu, and the first night we're there, I notice an angry-looking man is staring at me out of the neighbor's upstairs window and mumbling something, but the second night I realize that it's that poster of Bo Diddley from the famous Port Arthur concert, and there's a phone wire in front of his face that bobs up and down when the trade winds blow, which they do constantly, making it seem as though Mr. Diddley is saying something to me.
