teacher of all things: *Nazarene Commentary* Mark Heber Miller, 2010-11-13 At my birth in Norfolk, Virginia September 24, 1938 my mother June prayed I would become a teacher or minister. Now at 72 years of age - after 45 years as a pastor, teacher and missionary - I can thank her for her prayers for they were fulfilled beyond her most hopeful dreams. I look back on 60 years of Biblical studies beginning when I first completed reading the King James Bible at the age of 12. I have been in love with the Scriptures - and reading/writing in general - and always wanted to publish a new edition of the New Testament.

teacher of all things: *Pentecostal Hermeneutics* Lee Roy Martin, 2013-09-19 In *Pentecostal Hermeneutics: A Reader* Lee Roy Martin brings together fourteen significant publications on biblical interpretation, along with a new introduction to Pentecostal hermeneutics and an extensive up-to-date bibliography on the topic. Organized chronologically, these essays trace the development of Pentecostal hermeneutics as an academic discipline. The concerns of modern historical criticism have often stood at odds with Pentecostalism's use of Scripture. Therefore, over the last three decades, Pentecostal scholars have attempted to identify the unique characteristics and interpretive practices of their tradition and to offer constructive proposals for a Pentecostal hermeneutic that would be critically valid and, at the same time, be consistent with the Pentecostal ethos and conducive for the continued development of the global Pentecostal movement. Contributors include: Rickie D. Moore, John Christopher Thomas, Jackie David Johns, Cheryl Bridges Johns, John W. McKay, Robert O. Baker, Scott A. Ellington, Kenneth J. Archer, Robby Waddell, Andrew Davies, Clark H. Pinnock, and Lee Roy Martin.

teacher of all things: The False Teacher Tried and Cast John Brinsley, 2013-04-01 Brinsley masterfully expounds Revelation 2:2, "And thou hast tried them which say they are Apostles, and are not, and hast found them liars." He covers the context of the message and action of God against false teachers. He shows why many people are lead astray by false teachers, how they ought to try false teachers, the danger of being deceived, various uses and applications of the doctrine, and exhortations to stay away from false teachers. He also demonstrates how one should try false teachers by their ordinary calling, by their doctrine and by their lives. As important as this topic was in Brinsley's day, it is more important today with the rise of the popular television preachers as well as the internet. False teachers and armchair theologians are a dime a dozen, and they can deceive the church by flooding the media with teaching videos or simply by blogging on their website. The Christian must be well armed against such lies which weaken the church's mission and water down the Gospel of Jesus Christ. teacher of all things: *The Sovereign All-Creating Mind - The Motherly Buddha* Eva K. Neumaier-Dargyay, 1992-01-01 What distinguishes this Buddhist text from so many others is the timelessness of its ideas. It constitutes a radical attempt toward deconstructing Buddhist philosophy, and presents a feminist perspective on Buddhist spirituality. The text holds that being is the center and depth of existence, and is therefore accessible in everyday experience. The fleeting existence (samsara) is in its depth being, i.e. a state of complete integration (nirvana) which may well be described as divine reality of a feminine dimension This book presents the first English translation of an eighth century Tibetan Buddhist text. Despite its centuries-old origin, the kun byed rgyal po'i mdo addresses themes of great concern to the present, including how to achieve a holistic world-view that integrates the peripheral nature of existence with the ground of being; and the interrelatedness of periphery and center, of individual and universe. From a contemporary viewpoint this can be seen to engender a feminist understanding of the ground of being. Unlike other Buddhist texts, the kun byed rgyal po'i mdo invites the reader to rejoice in this world as beautified and intelligible, and thus the innate purity of the intelligent potency, the motherly Buddha, will be experienced. In addition to the translation, the book also includes a discussion of the conceptual and historical contexts of the text, an examination of its leading ideas, and an assessment of the challenges related to the translation.

teacher of all things: I CRIED UNTO THE LORD IN MY WILDERNESS: THE LORD HEARD MY CRY Evelyn Scott Roberts, 2011-10-12 This is a book on inspirational concerns and interpretation. It gives the reader a chance to become enlightened, focus and calm about the things that are happening in the world today. We have to have an outlet for understanding the truth about the coming event that is larger than any event that has ever taken place. This event is the coming of Christ. Yes, our Lord and Savior is coming and soon! And we need to prepare ourselves for it through the wisdom and knowledge of being able to cope with the daily issues of life through our Lord and Saviour Jesus Christ. The interpretation of God's word, by man, down through the generations, may have lost some of its depth, but the basic teaching of Christ is still there, so I urge everyone to develop a true relationship with God, individually, and He will fill in the gaps in your life to help you know His truth. He gives all of us the ability to go to Him and get the truth and understanding of His word so that we do not have to depend on another man. This reference book goes a little deeper into God's realm of infinite glory. It pulls out the no no's and do not's that most of us skirt around simply because we do not want to hurt one another. But if your information, to them, is going to be of service to God, it is better for them to hurt for a little while and learn the truth, than to not receive it. Please read this interpretation of the verses with an open heart and mind. It will be through your spirit that you will receive the messages that will be intended for you. God will direct and guide you and let not man be your guide. Because men are going to conveniently interpret the meaning of God's Word, in the last days, to make their lives easier to live the way they

want to live it; a continuum of the ungodly situations, but a different aspect of it. But it says in 2 Corinthians 6:17 and 18- 17 Come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you, 18 And will be a Father unto you, and ye shall be My sons and daughters, saith the Lord Almighty. We are to stop agreeing with, and doing as they do. But walk in the Light of our Savior Jesus Christ and do as God would have you. You cannot live in the world and not come in contact with sinners, but being a child of God, your mind, spirit, thinking, action and speech will change to reflect the God in you. Being a child of God opens us up to all sorts of trials, tests and tribulations as well as the many blessings that God showers on us every day. The trials, tests and tribulations comes to strengthen us in the word and work of God and to help us grow in or relationship with God. The blessings are the reward for being faithful in our service and going through our trials and tribulations; doing it with praise to our God and reverence to our Lord and Saviour Jesus Christ. Yes, God rewards/show us His faithfulness in His Promise to never leave or forsake us and also His unconditional love. The blessings are the “well done” thy good and faithful servant or the rewards God bestows on us for being faithful while going through our trials and tribulations and doing well or the best we can. God put a stamp of approval and a reminder that His promises are true. Every day we ask for miracles but we are not ready to do what God says in order to receive them. The price you pay for God’s Blessings and eternal life is to do His will. When you come to the crossroads in your life, carefully weigh the situations and circumstances that brought you there. Hopefully, with these verses, you will be enlightened. And through them God will give you the direction to take the road on the RIGHT.

teacher of all things: **The Final World Government** Bassey Effiong Orok, 2016-01-30 This book is the last title of the seven holy book series written simultaneously in thirty-four months by a born prophet, seasoned and reputable spiritual scientist and consultant on issues related to nature and the universe at large, His Lordship Bishop Bassey Effiong Orok. After his consecration as bishop on Sunday, April 12, 2009, he was taken away by the Holy Spirit, passing through several borders and nations. And on the twelfth month after he was consecrated a bishop, he was given authority to settle down, being hidden from public sight, and the Holy Spirit led him to write the seven holy books series, namely, Holy Book of Revelations; Everlasting Arts and Sciences volumes 1 and 2; and Eternal Mysteries of Nations volumes 1, 2, and 3, including this very title. However, The Final World Government contains unimaginable and extraordinary knowledge. It is beyond human description and interpretation as it unveils the coming new world administration where only one governing system, one currency, one understanding, one belief and one language will be enforced globally, thereby bringing to an end all existing governments, organizations, groups, religions, tradition, beliefs, customs, and kingdoms irrespective of nation, language, continent, or colour. It announces the coming unavoidable global change (far from the present) as it unveils a world void of all political, civil, economic, food crises, agony, anger, catastrophe, blame, earthquakes, war, pain, enmity, insecurity, insurgency, terrorism, wickedness, danger, evil, sorrow, sickness and death. It gives in-depth and first-time knowledge on the natural origin of the different governments currently operating globally and moving ahead in unveiling the system of their final departure from the surface of the earth. It also unveils unprecedented mysteries concerning all continents, governments, organizations, religions, tribes, tongues, colours and every human race, even as it reveals how the entire earth and the heavens will be shaken thus causing man and other creations to run for their safety.

These prove the fact in the adage that says, "a man who builds a house without building his children only builds what the children will later sell". For so long, Nigerians had been paying too much attention on politics, economy and other things at the expense of the Value System which is partly designed with the use of the National Anthem and The Pledge to the nation. Because of the near extinctions of moral; family and other values with the belief in God Of All Creations, the abundant resources in Nigeria had become snares for the citizens who are supposed to use them for the good of present and future generations. This book which is designed for children and youths gives vivid picture of Nigerian Value System through explanations of the National Anthem and The Pledge. The author uses twenty-six stories, poems, class activities and other items to teach civic responsibilities and moral obligations.
