

why do guys in relationships watch porn

why do guys in relationships watch porn is a question that many people seek to understand in the context of modern relationships and sexuality. This behavior can be influenced by a variety of psychological, emotional, and social factors. Men in committed partnerships may turn to adult content for reasons that range from stress relief to sexual curiosity, and understanding these motives can help couples navigate potential concerns. This article explores the underlying causes, implications, and perspectives surrounding why men in relationships consume pornography. Additionally, it addresses how this behavior interacts with relationship dynamics, communication, and personal satisfaction. By examining these elements, readers can gain a comprehensive view of the topic and its relevance in contemporary intimate partnerships. The following sections will cover the main reasons, psychological aspects, relationship impacts, and healthy communication strategies related to this behavior.

- Common Reasons Men in Relationships Watch Porn
- Psychological and Emotional Factors
- Impact on Relationship Dynamics
- Communication and Boundaries
- Healthy Approaches to Porn Consumption

Common Reasons Men in Relationships Watch Porn

Understanding why do guys in relationships watch porn begins with identifying the common motivations behind this behavior. Despite being in a committed partnership, many men continue to view adult content for various reasons that are often unrelated to dissatisfaction with their partner. These reasons can include curiosity, stress management, and sexual exploration.

Sexual Gratification and Exploration

One of the primary reasons men watch porn while in relationships is to achieve sexual gratification. Pornography offers a controlled and private way to explore fantasies and desires that may not be fully expressed within the

relationship. It allows men to experience sexual scenarios that are different from their real-life encounters, providing variety and excitement.

Stress Relief and Relaxation

Many men use porn as a means of relieving stress and unwinding after a long day. The release of endorphins during sexual arousal and orgasm can serve as a natural mood booster, helping to alleviate anxiety and tension. Watching porn in these instances is often viewed as a personal coping mechanism rather than a reflection of relational issues.

Accessibility and Convenience

The widespread availability of online pornography makes it an easily accessible option for men who want quick sexual stimulation. The convenience of viewing adult content at any time can contribute to the frequency with which men in relationships engage with pornographic material.

Habitual Behavior

For some men, watching porn may have become a habit established before entering the relationship. This habitual consumption can persist simply due to routine, without necessarily indicating dissatisfaction or underlying problems within the partnership.

Psychological and Emotional Factors

The reasons why do guys in relationships watch porn extend beyond physical gratification to include complex psychological and emotional drivers. These factors can influence how and why pornography is consumed, and understanding them provides deeper insight into this behavior.

Curiosity and Fantasy Fulfillment

Exploring fantasies through pornography allows men to satisfy curiosity in a safe environment. This exploration can contribute to a healthy sexual identity by providing exposure to diverse sexual expressions and preferences, which may not always be openly discussed within the relationship.

Emotional Disconnection or Loneliness

In some cases, men might turn to porn when experiencing feelings of emotional disconnection or loneliness. Pornography can temporarily fill an emotional void by providing stimulation and distraction, especially if communication or intimacy with a partner is lacking.

Self-Esteem and Sexual Confidence

Watching porn can serve as a means to bolster self-esteem and sexual confidence. Men who feel insecure about their sexual performance or desirability might use pornography to enhance their arousal and maintain a sense of sexual vitality.

Impact on Relationship Dynamics

Consuming pornography while in a relationship can have varying effects on the dynamics between partners. The influence depends largely on individual attitudes, mutual understanding, and the frequency and manner of porn use.

Potential Positive Effects

When approached with openness and mutual consent, porn can sometimes enhance a relationship by sparking new conversations about sexual interests and preferences. It can also serve as a tool for couples to explore fantasies together, increasing intimacy and satisfaction.

Potential Negative Effects

Conversely, undisclosed or excessive porn consumption may lead to feelings of betrayal, insecurity, or jealousy. Partners might perceive porn use as a sign of dissatisfaction or infidelity, which can cause trust issues and emotional distance.

Influence on Sexual Expectations

Pornography often portrays unrealistic sexual scenarios, which can affect expectations within a relationship. Men who frequently watch porn may develop

distorted views about sex, potentially leading to dissatisfaction with their partner or pressure to emulate what they see online.

Communication and Boundaries

Open and honest communication about pornography is essential in managing its role within a relationship. Establishing clear boundaries can help partners navigate their feelings and expectations effectively.

Discussing Porn Use Transparently

Couples who talk openly about why do guys in relationships watch porn can reduce misunderstandings and build trust. Sharing feelings about porn consumption and its impact allows both partners to express concerns and desires constructively.

Setting Mutually Agreed Boundaries

Agreeing on boundaries regarding porn use can prevent conflicts. These boundaries might include limits on frequency, types of content, or whether porn is used individually or together. Respecting these agreements helps maintain relationship harmony.

Seeking Professional Support

If porn use leads to significant conflict or distress, consulting a therapist or counselor specializing in sexual health and relationships may be beneficial. Professional guidance can assist couples in addressing underlying issues and developing healthier patterns.

Healthy Approaches to Porn Consumption

When integrated thoughtfully, porn consumption can be a normal and healthy part of a man's sexuality within a relationship. Understanding how to balance its use is key to minimizing negative impacts and maximizing positive outcomes.

Maintaining Balance and Moderation

Moderation is crucial to prevent porn from interfering with real-life intimacy. Men who watch porn in moderation are less likely to experience negative effects on their relationship or sexual satisfaction.

Using Porn as a Shared Experience

Some couples find that viewing porn together can enhance communication and intimacy. This shared experience can open dialogue about sexual preferences and fantasies, fostering mutual understanding and connection.

Fostering Emotional and Physical Intimacy

Prioritizing emotional connection and physical intimacy outside of porn consumption strengthens the relationship. Ensuring that pornography complements rather than replaces real-life interactions is vital for relationship health.

- Recognize personal and relational triggers for porn use
- Communicate openly about feelings and expectations
- Establish and respect boundaries concerning porn consumption
- Seek professional help if porn use causes distress or conflict
- Focus on maintaining strong emotional and physical intimacy

Frequently Asked Questions

Why do some guys in relationships watch porn?

Many guys watch porn in relationships for various reasons, including curiosity, stress relief, sexual variety, or to fulfill fantasies that they might not explore with their partner.

Does watching porn mean a guy is unhappy in his

relationship?

Not necessarily. Watching porn does not always indicate dissatisfaction; some guys watch it independently of their relationship satisfaction as a form of personal sexual expression.

Can watching porn affect a guy's intimacy with his partner?

It can, depending on the individual and the relationship. For some, it might enhance intimacy by exploring fantasies, while for others, excessive use can lead to emotional distance or unrealistic expectations.

Is it normal for guys in committed relationships to watch porn?

Yes, it is quite common and considered normal. Many couples view porn as a private or shared activity, depending on their comfort levels and communication.

How can couples address concerns about porn use in a relationship?

Open and honest communication is key. Partners should discuss their feelings and boundaries regarding porn use to ensure mutual understanding and respect.

Does watching porn lead to cheating or infidelity?

Watching porn does not inherently lead to cheating. However, if one partner feels betrayed or if porn use replaces emotional or physical intimacy, it might contribute to relationship issues.

How can guys balance watching porn and maintaining a healthy relationship?

Balance can be achieved by setting personal boundaries, being transparent with their partner, ensuring that porn use does not interfere with real-life intimacy, and prioritizing open communication.

Additional Resources

1. Behind Closed Doors: Understanding Men's Use of Porn in Relationships

This book explores the psychological and emotional reasons why many men watch porn while in committed relationships. It delves into topics such as stress relief, curiosity, and the impact of media consumption on intimacy. Through research and personal stories, it offers a balanced view to help couples

navigate this sensitive subject.

2. *The Male Mind and Porn: What It Means for Your Relationship*

Focusing on the male perspective, this book examines how porn consumption fits into men's sexual identity and needs. It discusses the difference between fantasy and reality, and how porn can sometimes complement or complicate romantic partnerships. The author provides practical advice for couples to foster open communication and mutual understanding.

3. *Intimacy and Screens: Pornography's Role in Modern Relationships*

This book investigates how technology and easy access to pornography have changed relationship dynamics. It looks at why men might turn to porn despite being in loving relationships, including factors like boredom, sexual dissatisfaction, or habit. The book also offers strategies for couples to maintain intimacy and trust.

4. *Wired Desire: Exploring Male Porn Habits and Relationship Impact*

Exploring neuroscience and behavioral science, this book explains the brain's response to porn and how it can affect men's expectations and behaviors in relationships. It addresses common misconceptions and provides insight into managing porn use in a healthy way. Couples can learn how to address concerns without blame or shame.

5. *Between Love and Lust: Navigating Porn Use in Committed Relationships*

This book takes a compassionate look at why men watch porn and how it intersects with love and commitment. It highlights the importance of empathy and communication, offering tools for couples to discuss porn use openly. Real-life case studies show different outcomes and solutions.

6. *Fantasy vs. Reality: Men, Porn, and Relationship Challenges*

Focusing on the tension between fantasy and real-life intimacy, this book analyzes why porn appeals to men and the potential conflicts it creates. It provides guidance for couples to balance individual desires with shared relationship goals. The author emphasizes understanding rather than judgment.

7. *Breaking the Silence: Talking About Porn in Relationships*

This practical guide encourages couples to break taboos and have honest discussions about porn. It covers why men watch porn, how it affects relationships, and ways to create a supportive environment for dialogue. The book includes exercises and conversation starters to facilitate openness.

8. *The Porn Puzzle: Decoding Male Sexuality in Relationships*

This book offers a deep dive into male sexuality and how porn consumption fits into the broader picture of desire and satisfaction. It explores cultural, psychological, and biological factors influencing men's porn habits. Couples gain insight into the complexities behind porn use and how to address it constructively.

9. *Healthy Boundaries: Managing Porn Use for Stronger Relationships*

Focusing on setting healthy limits, this book helps couples understand when porn use is harmless and when it might be harmful. It provides strategies to

create mutual agreements and maintain relationship health. The author emphasizes respect, trust, and ongoing communication as key to managing porn in relationships.

why do guys in relationships watch porn: The Psychology of Human Sexuality Justin J. Lehmiller, 2017-12-26 New edition of an authoritative guide to human sexual behavior from a biopsychosocial perspective The thoroughly revised and updated second edition of The Psychology of Human Sexuality explores the roles that biology, psychology, and the social and cultural context play in shaping human sexual behavior. The author - a noted authority on the topic and an affiliate of the acclaimed Kinsey Institute - puts the spotlight on the most recent research and theory on human sexuality, with an emphasis on psychology. The text presents the major theoretical perspectives on human sexuality, and details the vast diversity of sexual attitudes and behaviors that exist in the modern world. The author also reviews the history of sexology and explores its unique methods and ethical considerations. Overall, this important and comprehensive text provides readers with a better understanding of, and appreciation for, the science of sex and the amazing complexity of human sexuality. Features broad coverage of topics including anatomy, gender and sexual orientation, sexual behaviors, sexual difficulties and solutions, prostitution, and pornography Offers more in-depth treatment of relationships than comparable texts, with separate chapters dealing with attraction and relationship processes Includes cutting-edge research on the origins of sexual orientation and gender identity, as well as new treatments for sexually transmitted infections and sexual dysfunctions Is written from a sex-positive perspective, with expanded coverage of cross-cultural research throughout and material that is inclusive and respectful of a diverse audience Includes numerous activities to facilitate dynamic, interactive classroom environments Written for students of human sexuality and anyone interested in the topic, The Psychology of Human Sexuality offers a guide to the psychology of human sexual behavior that is at once inclusive, thorough, and authoritative in its approach.

why do guys in relationships watch porn: Is My Husband Gay, Straight, or Bi? Joe Kort, 2014-09-11 Jennifer can't believe it. Just married and pregnant, she discovers that her husband has been meeting Brad for sex. When confronted, Tom doesn't deny it, but he insists it's just "a thing" and he isn't gay. Elsewhere, John's wife, Karen, discovers that her husband likes to watch gay porn. John doesn't understand his wife's reaction. Why does she care what he watches if he's not unfaithful? In couple's therapy, Karen and Jennifer raise the same questions: Does this mean my husband is gay? Can my marriage survive? These and other stories illustrate the difficulties inherent when a wife or girlfriend finds out her man has had or wants to have sexual contact with other men. But many times, the man is not gay or even bisexual. Of course, some men with gay sexual interests are gay men in a process of self-discovery; they are "coming out." These desires may only reflect a different side of a man's sexuality or some response to childhood trauma or experiences they have not fully processed. Here Joe Kort and Alexander P. Morgan make the distinction between gay men and "straight men with gay interests" clearer to women who want to know how they can overcome these revelations. The authors explain the many reasons why straight men may be drawn to gay sex;

how to tell whether a man is gay, straight, or bisexual; and what the various options are for these couples, who can often go on to have very fulfilling marriages. *Is My Husband Gay, Straight or Bi?* is intended to help couples understand how male sexuality can express itself in ways that may be difficult to understand. Many marriages have been hurriedly terminated when couples (and their therapists) have lacked the information they needed to understand their current situations. This book provides the clarity, describes the choices, and (in many cases) offers hope for relationships and marriages that have been brushed off as doomed.

why do guys in relationships watch porn: When Your Husband Is Addicted to Pornography Vicki Tiede, 2012-10-01 When your husband's addiction to pornography leaves you shattered, betrayed, and alone, where do you turn? Who do you turn to? Vicki Tiede, writing from personal experience, gently guides women toward God and away from despair. Through daily readings and questions on six important topics: hope, surrender, trust, identity, brokenness, and ...

why do guys in relationships watch porn: A New Guide to Sex in the 21st Century Louise Perry, 2025-02-21 The bestselling feminist book, now adapted for a young adult audience Before the 1960s, sex before marriage was frowned upon and pornography was difficult to get hold of. We are now much freer to do what we like – there has been a ‘sexual revolution’. This must be a good thing, right? Wrong, argues Louise Perry. These changes have had many negative consequences, especially for girls and women. The main winners from a world of rough sex, hook-ups and freely available porn are a tiny minority of rich and powerful men. Women have been forced to adapt to these changes in ways that often harm them. Louise Perry carefully guides readers through the difficulties of sex in the 21st century. Her advice will be invaluable to all young women and men who may be feeling lost in a world where ‘doing it’ can sometimes seem dangerous or confusing.

why do guys in relationships watch porn: Are All Guys Assholes? Amber Madison, 2011-09-29 What if everything you've been told about guys your entire life has been a lie? And what if your approach to sex, dating, and relationships is completely wrong, because it's based on false assumptions about how men think and feel? The idea that guys are only interested in one thing, may help comedians, TV executives, and dating gurus make money, but it's not the truth. That's right-guys care about more than just sex, they don't have to be coaxed into relationships, and they deeply value emotional connections with women. How do we know? Because sex and dating expert Amber Madison asked them. She grilled more than a thousand guys in ten cities through interviews and surveys. She examined every stage of romantic relationships-from meeting a guy to getting serious with him-in order to find out what men really think, and why they do the things they do. Why do guys stop calling after a few dates? How can you tell if a guy actually likes you? How soon is too soon to have sex? Based on actual research, *Are All Guys Assholes* teaches you how to decipher and navigate any dating, hookup, or relationship situation. It explains the roots of some seemingly asshole-ish behaviors, and teaches you how to tell the good ones from the assholes once and for all. By the end, you'll never look at guys the same way again.

why do guys in relationships watch porn: Deconstructing Purity Culture to Embrace Sexual Pleasure Andrey Jones, 2025-03-18 In *Deconstructing Purity Culture to Embrace Sexual Pleasure*, certified sex therapist Andrey Jones explains how purity culture came to fruition and how its teachings have affected the sexuality and pleasure of generations of women. Women from this community often report difficulty with religious sexual shame, lack of sexual desire, pain during sex, and sexual dysfunction. This book focuses on how the messages of purity culture have impacted the ability of women to embrace their sexuality and pleasure. It provides guidance and tools needed to identify and evaluate beliefs and messages they received about sex, pleasure, and their roles as women so they can decide which of these messages and beliefs they would like to preserve and which they would like to change or discard. Included in this book is a seven-session psychoeducational curriculum that can be used with individuals or in a group setting. This book was written for therapists and mental health professionals who wish to understand and work with women in this population on their path of healing.

why do guys in relationships watch porn: Counsel for Couples Jonathan D. Holmes,

2019-03-05 Many pastors feel ill-equipped to handle the challenges that arise when a couple is going through marital difficulties. If you are or have been in this situation before, this book shows church leaders how to counsel married couples from both a logical and biblical perspective. Author and pastor Jonathan Holmes offers you a practical guide to get started with the first sessions and then offers specific guidance on nine of the most common topics that come up in marriage counseling. In *Counsel for Couples*, Holmes provides you with: a biblical methodology that navigates you through the world of marriage counseling based on God's word a theological counseling approach addressing the deepest of marital issues advice from several respected voices in the biblical counseling community In each chapter, you'll meet a new couple dealing with a different issue, much like the people in your church, office, and neighborhood. Whether you're a novice or already knowledgeable, *Counsel for Couples* provides theologically sound and biblically practical tools to help you as you help couples in need.

why do guys in relationships watch porn: *Secret Sexual Sins* Fred C. Rochester, 2009 It's destroying the lives of an astounding number of Christian men and women. Yet most of us are afraid to talk about it. It's pornography.

why do guys in relationships watch porn: *Be "The Other Woman" in Your Man's Life* Karen Holder, 2012-09-11 This book is a must-read for any woman who wants to renew and revive her relationship. *Be the Other Woman* is a deliciously-naughty but surprisingly wise little tome. I suspect the only thing more fun than reading it is the real-life application of its instructive advice. Tamara Caulder-Richardson Though written in an engaging, humorous girlfriend style, it takes its general purpose and subject matter quite seriously. This essential manual covers a host of topics, ranging from the timeless power of spontaneous flirtation to romantic dates to blush-inducing sexual techniques in the bedroom (or anywhere else you fancy). In between lie the finer points of lingerie-wearing, mood-setting, phone seduction, realized fantasies, edibles and aphrodisiacs, pole-dancing, the use of well, you'll just have to find out when you read the book. You won't be disappointed. Janis Love This cheeky guide to keeping your man from looking elsewhere for love lives up to its risqué cover image, offering advice on everything from what to wear around the house (something pretty at least once a week; matching bra and underpants always; and no god-awful granny panties ever!), the power of a languorous kiss (there's a reason it costs more to kiss a prostitute). Clarion Review

why do guys in relationships watch porn: *Facing Love* Yemi Agunloye, Cindy Agunloye, 2012-04 Has life become a challenge? Are people around you responding in ways you don't really understand? Having overcome personal obstacles of hardship through daily obedience they are now seeing God change lives all over the world. Their home, ministry, and business headquarters are in St. Louis, Missouri, USA.

why do guys in relationships watch porn: *The Niqab in France* Agnès De Féo, 2024-02-06 This original new work is the fascinating result of sociologist and documentary filmmaker Agnès De Féo's ten-year exploration of the phenomenon of niqab wearing. It is at once a groundbreaking study and a series of compelling first-person accounts from French and Francophone women who wear or have worn the niqab in France's Salafi communities. With the backdrop of the French government's 2010 ban on full facial veiling in public spaces, which itself has shaped the phenomenon, De Féo draws on her subjects' own words to show their agency, working against the clichés that often underlie public views of the niqab—that it is purely the result of masculine pressure, for example, or extreme religiosity or nationalism, or the submissive desire to disappear. Instead, she shows, the niqab is multivalent: women wear it for reasons that range from religious piety to the desire to rebel

against mainstream society, family, or the rule of law. The reasons are complex, overdetermined, contradictory, or even inconsistent, but they are the women's own. Despite being worn only by a small minority of Muslim women, the Islamic garment has nonetheless been a major source of intense political, religious, and cultural debate in France. Searching to understand, rather than speculate, De Féo chose to approach the people who wear the niqab, and to make them, rather than the veil itself, the subject of her research. Her unprecedented study, based on more than 200 interviews, reveals the many factors—social, political, geopolitical, and psychological—underpinning a personal choice that is not always as religious as it seems. The book ends with sixteen captivating interviews giving voice to stories rarely heard. With finesse and discernment, the author debunks the myths surrounding the wearing of the niqab, and sheds light on a practice subject to misunderstanding and prejudice, offering the reader unique insight. Challenging our preconceived notions and stereotypes about women who wear any form of Islamic apparel, but particularly the niqab, *The Niqab in France* introduces a group of women each with her own life story, her own share of personal struggles, aspirations, and desires, and her own claim to a certain place in society. This work received support for excellence in publication and translation from Albertine Translation, a program created by Villa Albertine.

why do guys in relationships watch porn: *Making Peace with Porn* Allison Vivas, 2013-03-15 One conservative estimate says that 100 million people, mostly men, look at porn online every day. Yet for many women, the topic of pornography sparks deep feelings of discomfort and insecurity which can lead to worries or fights about porn's place in long-term relationships. Porn is often seen as a shameful secret, but imagine if you could discuss it with your partner as openly as you discuss the rest of your relationship. *Making Peace with Porn* author Allison Vivas is a wife and mother, and also happens to run a pornography production company. In a relatable, good-humored tone she incorporates personal stories, clinical statistics, and the history of adult entertainment to explain why porn might not be such a bad thing after all. If you feel uncomfortable with this topic, or just want to know more, *Making Peace with Porn* is a great place to start a positive discussion. Most books about pornography are negative and fear-based, but this book takes a brave - dare we say, full-frontal - look at why pornography is a regular part of many men's lives, and it will help you find a way to accept that part of the man you love.

why do guys in relationships watch porn: *Amour... Being in Love* Deba, 2020-12-28 Following the default and successful path of match making, Rono Dasgupta, a smart NRI techie, gets married to Manjari, an attractive Bengali girl. Though they have some societal similarities, they are completely different personalities with absolutely different life experiences. Will they turn into another successful arranged marriage story or will they fall apart? Will it only be compromise and staying together or will love foster? While the couple is trying to work this out, a shattering secret comes out from one of the family members... A couple who is barely formed - how will they handle it? *Amour... Being in Love* dissects love, longings, relationships and sexual encounters like never before, through the compelling tale of Rono, Manjari and the Dasgupta family.

why do guys in relationships watch porn: *Being a Good Husband and Father* Lexington Nyama, 2017-12-08 This is an educational book for those who are in a relationship, whether they are married or not. As long as they are in a relationship, they need to know about these things; also it is not only for men but also for females because some women have no idea what to expect from their man. This will help them find a basic foundation of what to expect from their man, as this also helps man to know what to do for their woman. If relationships are not solved and if people are not educated about relationships, this world will never be at peace because it is all because of relationships. We have all these problems we are facing nowadays, as the world's problem started with two people who were in a relationship, which was written in the Bible. If they both knew what their responsibilities were in their relationship, the woman would have not gone and searched for food while the man was home sitting. I believe that if couples could know what they are supposed to do and what they are not supposed to do in relationship, we will make the world a better place to live.

why do guys in relationships watch porn: MATES Sobers Rodrigues , Usually, girls don't give their body to the one, they haven't given their heart. MATES is a tale needs to be told to project the art of lovemaking to the generation which has forgotten that sex is an art and not a duty. Its a coming of age story of friendship and intimacy. Fun, emotional, seldom intimate ride of naive youngsters exploring sexual pleasure in early days in their relationship. It highlights how Teenage fantasies and unrealistic expectations in bed ruin the real fun.

why do guys in relationships watch porn: *Classic Book of Rude Jokes* Scott McNeely, 2013-08-13 A compendium of the best of the most offensive humor out there, from the author of Ultimate Book of Jokes. For jokesters who like their humor on the dark side, this Classic Book of Rude Jokes compiles the most hilariously crass jokes out there in one compact volume. Scott McNeely, author of Ultimate Book of Jokes, has mined decades of rude joke history in search of the best of the worst jokes that were too shocking to include in his first collection. From dirty blonde jokes and tasteless religious jokes to the just plain sick and twisted, no one escapes offense in this collection of gags that is sure to please even the crudest comedian.

why do guys in relationships watch porn: *Christian Marriage Companion* Dr. Sunny Uwadiae, 2012-08-20 Christian Marriage Companion is one of the most comprehensive and authoritative books on the biblical model of marriage and family. It is a blueprint on what an ideal Christian marriage is and how to achieve it. It exhaustively explains the ordinance and covenant of marriage, its central and peripheral purposes, role relationships of man and wife, how to push beyond intimacy into marital unity, hindrances to a happy marriage, how to resolve conflicts, and how to achieve a blissful Christian marriage. It fully examines issues such as same-sex marriage, oral sex, use of sex toys, pornography, masturbation, divorce, remarriage, effective communication, forgiveness, adultery, and active listening. With over 300 Bible references and real-life examples from marital counselling sessions, the book covers virtually all the knowledge and skills for making a Christian marriage a true success. It is a manual covering all that a person needs to know to bring full healing to their marriage, making the book a veritable alternative to face-to-face counselling. It reveals striking truths about Christian marriage that will be extremely hard to find elsewhere. These include an in-depth analysis of the marriage proclamation, the idea that emotional and spiritual education is the central purpose of marriage, the idea of spiritual divorce, and the idea that Christian marriages aim at a deeper-than-intimate relationship. Christian Marriage Companion is the kind of book you simply place on the shelf for your spouse to read in their own time. They will find it absolutely compelling to read. As they do so, only the stone-hearted will resist being reformed by it. Newlywed couples and those looking to improve their marriage would find this book most useful. Although it was written specifically for Christian couples of all denominations, it has great potentials for positively impacting the marriages of non-Christians who read it with open minds. The Christian marriage ideals it teaches are unsurpassable and altruistic.

why do guys in relationships watch porn: **Madonna Complex** Peter Andrew Sacco, PhD, 2011-06-01 DescriptionThe Madonna complex is not something new. In fact, it was and often times is still usually referred to as the Madonna-whore complex. And what does this mean exactly? The Madonna complex is a book which explains in essence two things; 1) Why men are more prone to sexual addiction and 2) Why men with the Madonna complex prefer to not have sex with their partners, rather have extramarital affairs and/or become addicted to pornography, strip clubs and other venues of the sex trade. The book explains the etiology for why it happens and what causes it. The book also explains how women, namely the victims of the infidelity think/feel about their mates. Finally, the book provides first hand insights from individuals who have the Madonna complex or aspects of it, as well as case studies from the victims of it. Can sex become addiction? You bet it can and this book shows you why! About the AuthorPETER ANDREW SACCO PH.D. Peter is an international author of the popular selling books What's Your Anger Type? and Penis Envy. He is former TV talk show host of Mental Health Matters and resident expert on many TV shows. Peter is also the former Editor-in-Chief for Vices: The Magazine for Addictions, Habits and Well-Being. Peter is a psychology professor (specializing in addictions, relationships and criminal psychology) and

former private practitioner. He resides in Niagara Falls, Canada. DEBRA LAINO D.H.S. Dr. Debra Laino is a Board certified Sex Therapist and Sex Educator in the Philadelphia area. She is in private practice and teaches for several Universities. Dr. Laino does countless media appearances and is a published author, her most recent book being *Eleven reasons Why Women Cheat* published in 2010. She is currently a columnist for *Sex Appeal Magazine* based out of Detroit, Michigan. As a young woman who has dealt with a desire disorder herself, she has great insight and empathy for clients going through these issues.

why do guys in relationships watch porn: *No More Headaches* Juli Slattery, 2011-09-09 Both husbands and wives can be extremely frustrated by the differences in sexual needs and expectations between them. This frustration manifests itself as fighting, resentment, feelings of either guilt or rejection, and general marital strife. There are few safe and appropriate places to ask the questions about sex that frustrate and confuse women most. In *No More Headaches*, Juli Slattery provides that place with honest answers that target women's specific needs. Her warm and compassionate style come through as she examines the underlying issues that prevent couples from having a satisfying sex life. Helping husbands and wives understand and address the sexual relationship with their spouse will improve the marriage by reducing stress and frustration in that area, which will reduce stress in other areas of marriage as well. Each chapter contains questions for reflection and questions for couples to discuss. Juli Slattery has extensive experience speaking to women about marriage, parenting, and family issues at retreats and conferences as well as on television and radio.
