Understanding Wisconsin Historical Society Membership

The Wisconsin Historical Society membership program is designed to foster a community of history enthusiasts, scholars, educators, and residents interested in preserving the state's heritage. As one of the oldest historical organizations in the United States, the Society serves as a central hub for historical research, education, and public outreach. Membership is a gateway to discovering Wisconsin's past through access to its extensive archives, museums, and publications.

Joining the Wisconsin Historical Society connects individuals with a network of like-minded people dedicated to historical preservation. It also helps fund the Society's mission to collect, protect, and share Wisconsin's stories for future generations. Members enjoy unique opportunities to participate in programs that bring history to life and support the ongoing care of historical sites and collections.

Mission and Purpose of Membership

The membership program aligns with the Society's mission to promote an understanding and appreciation

of Wisconsin's history. Members contribute to sustaining educational initiatives, conservation projects, and public programs. This collective effort ensures that historical resources remain accessible and relevant in a changing world.

Role of Members in the Historical Community

Members often serve as ambassadors for Wisconsin's history, spreading awareness and encouraging preservation efforts across communities. Their involvement ranges from attending lectures and exhibitions to volunteering and advocating for historical causes. By participating in events and supporting research, members help maintain the vitality of the state's historical narrative.

Membership Benefits and Privileges

A Wisconsin Historical Society membership offers a variety of valuable benefits designed to enhance the experience of exploring Wisconsin's history. These benefits cater to diverse interests, whether academic research, family history, or general appreciation of the state's culture.

Access to Exclusive Resources

Members receive priority access to the Society's vast archives, including rare documents, photographs, maps, and manuscripts. This access is especially beneficial for researchers, genealogists, and educators seeking primary historical sources. Additionally, members may borrow from the Society's extensive library collections and access digital resources.

Discounts on Programs and Events

One of the key perks of membership is discounted admission to lectures, workshops, museum exhibitions, and special events hosted by the Wisconsin Historical Society. These events offer opportunities to engage with historians, authors, and experts, enriching members' knowledge and appreciation of Wisconsin's heritage.

Subscription to Publications

Members receive subscriptions to the Society's publications, which feature scholarly articles, historical narratives, and updates on new collections and programs. These periodicals serve as a valuable source of information and inspiration for history enthusiasts.

Invitations to Member-Only Events

Exclusive invitations to receptions, behind-the-scenes tours, and special previews provide members with unique experiences that deepen their connection to Wisconsin's historical treasures.

Summary of Key Benefits

- Priority and unlimited access to archival materials
- Discounted admission to events and programs
- Regular newsletters and publications
- Invitations to exclusive member gatherings
- Opportunities to participate in volunteer and educational activities

Types of Memberships Available

The Wisconsin Historical Society offers several membership levels tailored to meet the interests and needs of individuals, families, and organizations. Each level provides a distinct set of benefits and opportunities for engagement.

Individual Membership

This entry-level membership is ideal for individuals interested in supporting Wisconsin history and accessing member benefits. It offers essential privileges such as access to resources, event discounts, and newsletters.

Family Membership

Designed for households, family memberships extend benefits to all family members living at the same address. This option encourages family participation in historical activities and educational programming.

Supporting and Patron Memberships

For those wishing to provide enhanced financial support, supporting and patron memberships offer additional recognition and exclusive benefits. These may include special acknowledgments, invitations to VIP events, and premium access to resources.

Organizational Membership

Nonprofits, educational institutions, and businesses can join through organizational memberships. These memberships facilitate collaboration and promote historical awareness within the broader community.

Student and Senior Memberships

Discounted memberships are available for students and seniors, making it more accessible for these groups to participate in the Society's programs and benefit from its resources.

How to Become a Member

Joining the Wisconsin Historical Society is a straightforward process designed to welcome new members efficiently while providing detailed information about membership options. Prospective members can apply through multiple channels to suit their preferences.

Application Process

Interested individuals can complete a membership application online, by mail, or in person at the Society's headquarters. The application requires basic contact information and selection of the desired membership level.

Payment and Renewal

Membership dues vary depending on the type and level chosen. Payments can be made securely through credit card, check, or electronic funds transfer. Memberships are typically valid for one year, with renewal reminders sent to members prior to expiration to ensure uninterrupted benefits.

Membership Cards and Confirmation

Upon joining, members receive a welcome packet that includes a membership card, informational

brochures, and details about upcoming events and programs. This packet serves as confirmation and a resource guide for maximizing membership value.

Supporting Wisconsin History Through Membership

Beyond personal benefits, a Wisconsin Historical Society membership plays a vital role in sustaining and expanding the organization's efforts to document and preserve the state's heritage. Membership dues and donations fund critical projects and operational costs.

Funding Preservation and Education

The Society relies on membership support to maintain its collections, preserve historical sites, and develop educational programs. These initiatives ensure that Wisconsin's history remains accessible and engaging for diverse audiences.

Community Engagement and Volunteer Opportunities

Members often engage in volunteer activities such as assisting with archives, participating in oral history projects, or helping at events. These contributions strengthen the connection between the Society and the communities it serves.

Advocacy for Historical Preservation

Membership also empowers individuals to advocate for policies and funding that protect historical resources statewide. The collective voice of members is influential in promoting awareness and support for preservation at local and state levels.

Impact of Membership Contributions

- Enhancing archival and museum collections
- Supporting educational outreach programs
- Funding restoration of historic landmarks
- Promoting historical research and publications

- Building partnerships with schools and cultural organizations

Frequently Asked Questions

What are the benefits of a Wisconsin Historical Society membership?

Membership with the Wisconsin Historical Society offers benefits such as free admission to museums and historic sites, discounts on events and publications, a subscription to the Wisconsin Magazine of History, and invitations to special member-only events.

How can I become a member of the Wisconsin Historical Society?

wisconsin historical society membership: *The Wisconsin Historical Society* John Zimm, 2021-03-30 Explore the storied history of this grand Wisconsin treasure – the Wisconsin Historical Society, older than the state itself. From the Society's earliest days as pioneers worked to record history even as it was happening, to its struggles to weather the Great Depression, and its landmark efforts to record the most important social and political movements of our times. From its very start, the Society has worked to "treasure up" the stories of people from every walk of life, in every corner of the state. The story behind the Wisconsin Historical Society is a uniquely Wisconsin story – one that belongs to all who call Wisconsin home.

wisconsin historical society membership: Blue Book , 1981

wisconsin historical society membership: Fourierist Communities of Reform Amy Hart, 2021-07-23 This book explores the intersections between nineteenth-century social reform movements in the United States. Delving into the little-known history of women who joined income-sharing communities during the 1840s, this book uses four community case studies to examine social activism within communal environments. In a period when women faced legal and social restrictions ranging from coverture to slavery, the emergence of residential communities designed by French utopian writer, Charles Fourier, introduced spaces where female leadership and social organization became possible. Communitarian women helped shape the ideological underpinnings of some of the United States' most enduring and successful reform efforts, including the women's rights movement, the abolition movement, and the creation of the Republican Party. Dr. Hart argues that these movements were intertwined, with activists influencing multiple organizations within unexpected settings.

wisconsin historical society membership: *Jews in Wisconsin* Sheila Terman Cohen, 2016-04-25 Unlike the other cultural groups covered in the People of Wisconsin series, the Jews who have made their home in Wisconsin are united not by a single country of origin, but by a shared history and set of religious beliefs. This diverse group found their way to America's heartland over several centuries from Germany, Russia, and beyond, some fleeing violence and persecution, others searching for new opportunities, but all making important contributions to the fabric of this state's history. Through detailed historical information and personal accounts, Sheila Terman Cohen brings to life the stories of their various trials and triumphs. *Jews in Wisconsin* details their battles against anti-Semitism, their efforts to participate in the communities they joined, and their successes at holding onto their own cultural identities. In addition to excerpts of Cohen's many interviews with Wisconsin Jews, *Jews in Wisconsin* also features the compelling journals of German immigrant Louis Heller, a tradesman who established himself in Milwaukee, and Russian immigrant Azriel Kanter, who details the perilous journey his family embarked on to escape anti-Semitism in his home country and make a new life in Wisconsin.

wisconsin historical society membership: Dispatches from the Drownings B. J. Hollars, 2014-09 In homage to Michael Lesy's cult classic, Wisconsin Death Trip, Hollars pairs reports from late nineteenth- and early twentieth-century journalists with fictional versions, creating a hybrid text complete with facts, lies, and a wide range of blurring in between.

wisconsin historical society membership: *The Making of Pioneer Wisconsin* Michael E. Stevens, 2018-09-19 From the mid-1830s through the 1850s, more than a half million people settled in Wisconsin. While traveling in ships and wagons, establishing homes, and forming new communities, these men, women, and children recorded their experiences in letters, diaries, and newspaper articles. In their own words, they revealed their fears, joys, frustrations, and hopes for life in this new place. *The Making of Pioneer Wisconsin* provides a unique and intimate glimpse into the lives of these early settlers, as they describe what it felt like to be a teenager in a wagon heading west or an isolated young wife living far from her friends and family. Woven together with context provided by historian Michael E. Stevens, these first-person accounts form a fascinating narrative that deepens our ability to understand and empathize with Wisconsin's early pioneers.

wisconsin historical society membership: The Rotarian, 1956-05 Established in 1911, The Rotarian is the official magazine of Rotary International and is circulated worldwide.
