word among us daily meditation: **Like a Hammer Shattering Rock** Megan McKenna, 2013-02-05 Renowned Catholic author Megan McKenna celebrates her 50th book with a controversial interpretation of the Gospels of Mark, Matthew, Luke, and John and what they mean for the Church and society today. In many ways, modern audiences have become so familiar with the gospels that we've stopped listening and integrating their wisdom into our everyday lives. Acclaimed author Megan McKenna explores the messages of the four gospels in the context of daily life when they were originally written and interprets their meaning for our modern world. While some argue for the development of new gospels for the 21st century, McKenna argues that we haven't paid due attention to the ones we already have; in many cases, we've ignored sections of these teachings entirely and twisted their meaning to suit our own agendas. McKenna breaks it down, gospel by gospel, and shows us how the lessons of Jesus's apostles continue to resonate.

By following the cycle of Mass readings throughout the year, Catholics become familiar with the many different books of the Bible and stay close to the church. word among us daily meditation: *A History of St. James the Greater Parish* Sheila Ross, 2019-10-17 The History of St. James the Greater Parish traces the evolution of a parish that was erected on June 7, 1961, by Most Reverend Francis P. Carroll, Bishop of Calgary, to serve Catholics who resided in the Altadore, Lincoln Park, and Lakeview districts of Calgary. Grounded in tradition, pastors and parishioners moved forward by embracing the forms of renewal in the Church resulting from the Second Vatican Council, which took place from 1962 until 1965 in the Vatican Basilica of St. Peter. For more than fifty years, St. James Parish has contributed to the spiritual life of the congregation and to the welfare of the larger community. Whereas pastors and parishioners have previously been from Europe by descent or birth, the changing face of the parish is now reflected in the multi-ethnic congregation that continues to serve the faithful within the Diocese of Calgary.

word among us daily meditation: *Daily Dose for Christian Survival* Benjamin A. Vima, 2011-12-06 Every Christian, who tries to lead a life seriously committed to their Gospel principles in this postmodern world, finds it hard to survive the day-to-day life and move in the midst of the postmodern crowds and to continue to have ones being in the invisible resurrected Lord. Survival of a sincere Christian is in question in this fast-paced life. This book's contents would support these disciples of Jesus to carry on daily this august spiritual exercise. When this spiritual exercise of meditating on the Word of God is being performed, they certainly will reach God's presence within them. Then they follow their hearing Him, their loving Him, and their saying yes to Him and start their joyful and contented journey of Christian life, not to survive but to succeed in life. The author writes: The thoughts I share here mostly came out of my daily meditation on the scriptures and of my encounter with Jesus alive. I hope in all honesty that the spiritual doses I offer here will help the reader as meditation for preventing and medication for curing as well. These daily doses will support the reader in coming out of the gloomy and cloudy days of the past and in marching on smilingly and boldly to a new heaven and new earth in celebrating ones today as the day of the Lord.

David Goss, 2012-06-06 There are few episodes in American history as interesting and controversial as the Salem Witch Trials. This work provides a revealing analysis of what it was like to live in Massachusetts during that time, creating a nuanced profile of New England Puritans and their culture.
