word of god is medicine: Using God's Word As Medicine Monica Thornton, 2021-04-27 Take these prescribed pills, and call the doctor (the Holy Spirit) in the morning! The best known people in the Bible are God and his Son, Jesus, whom he sent to this earth two thousand years ago. He sent his

Son for a reason, and that reason was to let everybody on this earth know that there is a Savior. Jesus left us with a word before he left, and his word was that he would leave us with peace. When will we take this and make it applicable to our lives? We have troubles all around us. But the Holy Spirit is there for us. Some of us don't even think to say, Good morning, to the Holy Spirit, who wakes us up each day. We just go along our way. Here are some of the issues in this book that we face, and the Holy Spirit helps us along the way with a word from the Bible. Finances is a major problem in today's society. We invest in the stock market, lottery, casinos, and other investments that take money right out of our hands. However, the Holy Spirit tells us to invest only in him, and he will supply all our needs. He tells us to test him and see if he won't open up the heavens and pour you out a blessing. The Holy Spirit has a word for our enemies too. The Old Testament says, An eye for an eye and a tooth for a tooth. However, when we come up against the enemy, the Holy Spirit tells us in the New Testament that the battle is his, not ours. The Spirit saves us from going to jail or to our graves. The Holy Spirit knows what's best for us. Don't our emotions get out of context! We are emotional people on this earth. We let some of the smallest things upset us. Then we end up taking it out on our family and friends. We end up always on the losing end and later apologize for our mistakes. However, as you read this book, you'll find scripture in the Bible stating, We do not fight against flesh and blood but against rulers, authorities, against the powers of this dark world and spiritual forces of evil. Wow! We've been fighting the wrong person. The devil does come to steal, kill, and destroy. The list goes on and on from our marriages, finances, and family. My book will not only lead you to do the right things in life but lead you into the hands of God, which is the Bible. We all must evangelize God's word in this fallen world! Let's do so before we go home to our Father, who is in heaven. Then he'll say, Job well done, thy good and faithful servant!

word of god is medicine: *Covenant of Healing:* Leslie J. Kimbro, 2007-12-26 The God that you and I serve is a Covenant keeping God. God established His covenant with Abraham (Gen. 17:1-4,7). God told Abraham to walk before him (perfect, blameless) and he would establish his covenant with him and would multiply him exceedingly and make him a Father of many nations. Through the blood of Jesus, you and I have the right to partake of the Abrahamic Covenant. Galatians 3:29 says, And if you belong to Christ [are in Him Who is Abrahams seed], then you are Abrahams offspring and [spiritual] heirs according to promise. (Amplified). We are entitled to all of the promises, blessings and benefits of the Abrahamic Covenant. It is a part of our inheritance and it is up to us whether we partake of the covenant. Jesus left nothing undone at the cross. He took care of it all! Jesus bore ? Righteousness for our Spirit ? Peace for our Soul (mind, will and emotions) ? Healing for our body God is not looking for us to pay the price; Jesus already did that. God is looking for us to become aggressive to receive what rightfully belongs to us. God knows we are Heirs of God. Jesus knows we are Heirs of God and joint Heirs with him sharing his inheritance.

word of god is medicine: Healing Scriptures Rev. Dr. Willie Dean Turkvant-Ravenell, 2022-01-17 My God is a healing God. When I was broken, God became my only friend. The Bible is my sword, my life, and my protector from my enemy. God's word encourage me every second and minute of the day. When I wake up, I breathe and pray a declaration of healing over the whole world and God's people. I pray for the breakthrough of God's power. God's promise is to heal you. The only thing we need to do is to declare God's Word over your life. Victory. Read His Word. Love you all. Be blessed.

word of god is medicine: The Answer: God's Covenants of Promise John E. Hollywell, 2015-10-28 Many years of biblical study have showed John E. Hollywell that most people have never

had an accurate explanation of biblical truths and do not know what an amazing inheritance the Bible says they may have once they make Jesus their Lord and Saviour. The chaos the world suffers was foretold in the Bible. Scientists offer explanations, but governments, politicians, and educators have no answers as to why there is such poverty, crime, war, disease, mental health problems, and other forms of misery in the world today. Are there solutions to all of these issues? Emphatically, the author says, Yes! Hosea 4:6 says that Gods people are destroyed through lack of knowledge. This book provides some such knowledge in a simple, readable format. The Answer: God's Covenants of Promise will have achieved its purpose if it can open a readers eyes to see the Word of God as it was meant to be understood, why seemingly good people worldwide are so hostile and inhumane to each other, and who Jesus is and what was His true purpose for coming. The Answer: God's Covenants of Promise was written for everyone who might seek to know where humanity came from, why we are here, and where we go in the future, into eternity. The Answer: God's Covenants of Promise seeks to answer such scientific, evolutionary, and spiritual questions as What is faith in God? to be found through Jesus of Nazareth, Gods son.

word of god is medicine: God, Medicine, and Suffering Stanley Hauerwas, 1994-12-12 Why does a good and all-powerful God allow us to experience pain and suffering? According to Stanley Hauerwas, asking this question is a theological mistake. Drawing heavily on stories of ill and dying children to illustrate and clarify his discussion of theological-philosophical issues, Hauerwas explores why we so fervently seek explanations for suffering and evil, and he shows how modern medicine has become a god to which we look (in vain) for deliverance from the evils of disease and mortality.
